

**Young Scientist Program
Constitution July 28, 2003**

Article I Name & Purpose

Section 1
Section 2

This organization shall be known as the Young Scientist Program. Volunteers will enlighten fourth grade students to the options and opportunities available to them in the science field as well as helping them understand the process of discovery and to grow with an appreciation of science. The club shall serve as recruitment and support for the volunteers and their tutees.

Article II Membership

Section 1
Section 2

Membership shall be open to all regularly enrolled students who show an interest in science and helping children.
The club shall select the method by which membership in the club shall be approved.

Article III Officers

Section 1
Section 2

The elective officers for this club shall be the President, Vice-President, Treasurer, Historian, Website Designer, and Activities Coordinator.
The officers shall be elected by the club members to serve a term of one semester.

Article IV Dues

Section 1

There will be no dues. If there is a financial need, the members will discuss a way to meet it, when the time arises.

Article V Amending the Constitution and by-laws

Section 1

Amendments to the constitution or by-laws shall be presented by members of the club in writing and read at a regular meeting but shall not be voted upon until the next regular meeting, and then only after informing each member for the proposed amendments. A majority of 2/3 for the members present and voting shall be required.

Article VI Meetings

Section 1

The club shall meet as determined by the club membership each semester.

Article VII

Committees
Section 1

The club shall make provision for any standing committees needed and/or for forming any special committees when needed.

Article VIII

Misc.
