Name

Dear :

This is to inform you that you have been nominated for the Society of Women Engineers Student Section's Outstanding Woman Engineering Student Award for Class . This is a program which has begun just this year as an effort to encourage outstanding performance by women engineering students. You were nominated by your engineering department to compete with Class of other engineering departments for this honor.

Enclosed is an information form which I hope you will take some time to complete and return to us by March 9. The Award recipients will be chosen by a selection committee which consists of Deans, NCSU Faculty members, representatives from the North Carolina Professional Section of the Society of Women Engineers, and representatives from various companies in the engineering industry.

The Award will consist of a check for \$100.00 and a certificate, and will be presented on April 10 at the Society of Women Engineer's Annual Awards Banquet. 2

The banquet will be held at the Mission Valley Inn Convention Center and begins with a cocktail hour at 6:00 p.m. A buffet dinner will be served at 7:00 and the presentations will begin promptly after dinner. Dress is semi-formal and you are encouraged to invite a date, family, and/or friends to attend. There will be a moderate cost to any guests you invite.

A preliminary RSVP is enclosed. Please return it as soon as possible to advise us of your participation. Please indicate the number of guests you will have attending for our planning but note that you may change this up to 3 weeks before the banquet.

I will be looking forward to your prompt response. Please feel free to call me at 851-4585 if you have any questions.

Dear Beth,

I would like to thank you for your invitation to your Awards Banquet. We received your invitation Friday April 3 and unfortunately we will not be able to attend. I hope that we will be able to get together sometime in the near future. I think it would help to encourage both sections and be a lot of fun at the same time. I appreciate the thought and I wish we could be there to support your outstanding members. I hope that your banquet is most enjoyable. Thanks again.

Sincerely,

Jacqueline Arra

Dear Ms. Wiggins,

The Mission Valley Inn and Conference Center was pleased to have been host for the Society of Women Engineers.

I hope our facilities, staff and service contributed in making your meeting successful and rewarding to your group. As always, our future business depends on our customers reaction. . . and your comments on the service you received recently would be greatly appreciated.

I would like to take this opportunity to invite your consideration in planning your future meetings at Mission Valley Inn and Conference Center.

If I can be of any assistance in planning your future meetings, please feel free to contact me.

Once again, Ms. Wiggins, it was a pleasure working with you.

Sincerely,

OUTSTANDING WOMAN ENGINEERING STUDENT AWARDS

FRESHMAN

MARTHA ELIZABETH UPCHURCH

DAUGHTER OF MRS. MARTHA EMERSON UPCHURCH

The North Carolina State University
SWE Chapter sponsored a banquet
to award 100⁰⁰ and a plaque to
four outstanding women engineers. April 16, 1991.

Selection of the recipients began
within individual departments to
give the fairest representation of
candidates. Each department was
asked to nominate one to four women
based on GPA, exceptional qualities,
leadership abilities, and activities.

From these departmental nominations,
one woman from each class (Fr, So, Jr, SR)
was selected by a selection committee,
consisting of Deans, faculty members,
and representatives from industry.

The Outstanding Woman Engineering Student Awards for 1981 were presented to: Freshman Teresa Lynne Burnette, Chemical Engineering, daughter of Mr. + Mrs. Robert H. Burnette of Oxford NC; Sophomore Martha Elizabeth Upchurch, Chemical Engineering, daughter of ~~Mr. + Mrs. Robert H. Burnette~~ Mrs. Martha Emerson Upchurch of Knightdale, N.C.; Junior Lynn Eichelberger, Chemical and Mechanical Engineering, daughter of Mr. W.E. Eichelberger of Jacksonville, Florida; Senior Rhonda Lea Walker, Nuclear Engineering, daughter of Mr. + Mrs. Harold T. Walker of Charlotte, N.C.

Janie McEllett Wood, Chemical Engineering Major from Belmont, N.C., received the ~~award~~ Union Carbide Award for Outstanding Contributions to NCSU chapter of SWE.

The presentation banquet was a buffet dinner for the 70 nominees and their guests, representatives from supporting ~~industries~~ companies, Deans of Engineering, N.C. Section of SWE, and the NCSU chapter of SWE.
