### Banquet Speaker

**Paula Wells** is the CEO and principle partner of Wells Engineers, Inc. in Omaha, Nebraska. She has received a Bachelor's degree in Civil Engineering, a Master's degree in Structural Engineering, and a PhD in Industrial Engineering from the University of Nebraska in Lincoln. Mrs. Wells is a "modern day Lillian Gilbreth", combining the responsibilities of a consulting engineering company with the hectic pace of a family of 11. Mrs. Wells founded Wells Engineers, Inc. and is widely recognized by her involvement in structural, environmental, industrial and municipal projects. She has been the National Regional Vice President of NSPE.
