MEMORANDUM OF AGREEMENT

Between

Hercules Powder Company of Wilmington, Delaware and
The North Carolina Agricultural Experiment Station, Raleigh, N. C.

This memorandum of agreement concerns the furnishing of funds by the Hercules Powder Company to the North Carolina Agricultural Experiment Station for the purpose of supporting research work on turf.

The following conditions are mutually agreed to by the Hercules Powder Company and the North Carolina Agricultural Experiment Station, hereinafter designated "The Station".

Hercules Powder Company agrees:

1. To place at the disposal of the Station the sum of \$1,000.00. This amount to be paid to the Station on April 1, 1962, or as soon thereafter as this agreement is signed by both parties.

The Station agrees:

1. To expend the funds furnished to support experimental work on turf. (See attached experimental plans)
2. To furnish a progress report to the Hercules Powder Company on or about January 1, 1963. Right to publication or formal releases of the data will be retained by the Station.

If, in the opinion of the Hercules Powder Company and the Station, the results obtained during the period of this agreement are such as to indicate that this or similar relationship can be continued to the advantage of both parties such relationship may be mutually agreed to.

Dear Sir:

We are enclosing our check No. F19990, in the amount of \$1,000.00 covering our commitment to extend the Memorandum of Agreement of March 20, 1962, to the North Carolina Agricultural Experiment Station for the period of January 1, 1962 to December 31, 1963.

These funds are furnished to support research work on Turf according to the experimental plans detailed in the original Agreement.

We are extremely sorry for the delay in getting these funds in your hands, but if acceptable to you please indicate by signing all four copies of this letter of transmittal, retaining one for your files and returning the remaining three to this office.

Very truly yours,
