GASWELL COUNTY
SUMMARY OF ACTIVITIES

4-H Club Work in Caswell County was two years old August 5, 1937.

I have an enrollment of six hundred girls in 4-H Club Work in Caswell County and a total of twenty ^{about} clubs. The Major Project for the girls for the past two years was Clothing, however many Minor Projects were carried on and completed by the girls.

We held Dress Revues in each school this year. At this meeting the entire school was present and many of the Parents. A total of 394 dresses were worn and exhibited by the girls of the County. 109 of the dresses were not completed for the dress revue but were reported later, making a total of 503 dresses made by the girls.

Minor Projects and records were kept in improving posture, good grooming, health, table setting and table manners, knitting, crocheting, making quilts, embroidery, making scrap books, making Christmas gifts and a few tobacco crop records were kept.

The 4-H Achievement Program was held November 17, 1937, with an attendance of 200 boys, girls and parents.

CASWELL COUNTY
ORGANIZATION

4-H CLUBS:

We have ^{or 10} Nine Districts and a school in each district. All of my 4-H Club Meetings are held in the schools. I have forty-five minutes or one hour for each club.

The fourth and fifth grade girls constitute the Junior Clubs, of which I have nine. The sixth and seventh grade girls are considered as the Intermediate Clubs. There are nine Intermediate Clubs. The High School girls are the Senior Clubs and five Clubs in number. This makes a total of twenty-three Clubs, and a membership of six hundred girls.

I have a teacher in each Club who is the Local Leader for the Club. The Local Leader's are a great help in our program of work. The Club Members feel free to go to their Leader's at any time for help.

The Leader's supervise the 4-H Club Members part on the Program. The Vice-President in each Club is the Chariman of the Program Committee. This Program Committee plans for each member to have an individual part in the Club Meetings at some time during the year.

The Programs are worked out in the form of a little Team Demonstration. At first the demonstrations were very simple, but before the year was over we had some very lovely programs.

65

CASWELL COUNTY
ORGANIZATION

4-H CLUBS:

The Clubs are allowed as much as twenty minutes for their demonstrations, reports and business part of the meeting. The meeting is then turned over to the Home Agent. The Home Agent gives a definite demonstration to the girls on the Major Project.

Some time during the year the girls are given an opportunity to exhibit all the work they have done during the year. In this manner I have an opportunity to check and know just what each girl has completed in her Major Project as well as the Minor Projects.

This next year I plan to try to have 4-H Leader's Schools and more outside Leader's who will give the girls more definite help in their Minor Projects, especially.

As yet we do not have a County Council. This is another Goal for this coming year.

COUNTY PROGRAM OF WORK
CLOTHING

NUMBER OF GIRLS ENROLLED	600
NUMBER OF CLUBS	23
NUMBER OF GIRLS COMPLETING	509
NUMBER OF LEADER'S	23

In our Clothing Program this year we studied commercial patterns, reviewed seams and seam finishes, hemming etc. We also, had demonstrations on selecting suitable fabrics for school dresses and best dresses and food conservation.

The girls were asked to make a dress as their Major Project. The Senior Girls were to make a dress and a slip. These dresses were to be worn at our community or local school dress revue and county wide dress revue.

We had our Local Dress Revues in March. These were open Chapel Programs for the entire school and patrons of the community. The total number attending our 4-H Programs this month was 2174.

Many person attending these revues expressed the wish that everyone in the county could see and know what our 4-H girls have done this year.

The Judges for each dress revue were selected from the Home Demonstration members in the varibus communities. It goes without saying these Judges had a difficult job, and their work was warmly appreciated.

CASWELL COUNTY

4-H CLUB WORK

CLOTHING:

LEASBURGH:

19 girls in the Leasburgh School completed dresses. First prize Nettie Cecil, second prize Fannie Mae Bowes, third prize Marion Whitlow and special recognition to Hortense Bailey who made her dress from feed sacks. She did a mighty neat piece of work. Hortense trimmed her dress with red buttons and wore a little red necklace and bracelet showing she knew how to carry out her color combinations even tho' she is only 11 years old. Her dress only cost 15¢.

ANDERSON:

The Junior Club girls in the Anderson School displayed their ability to do good work by the 10 girls having completed their dresses. First prize went to Irene Shaw, second prize to Susan Page, third prize to Bessie Webster. Intermediate Club awards went to Louise Richmond for first place, second to Francis Oakley, and third to Helen E. Webster. 27 in this group made dresses.

The Anderson High School awards went to Francis King first place, Elizabeth Brannock second, Irene Coleman third. Mrs. J. A. Patillo, Mrs. Rushing and Mrs. Miles were Judges. There were 31 girls from this club finishing their Project.

A RESULT DEMONSTRATION

Mary Tyler Newman - age 12.
Milton, N. C.

Results:

Made one doll outfit; Learned to knit; Learned to
crochet; Made one dress.

Mary Tyler Newman, a member of the Murphy school 4-H club, has done outstanding work in her clothing project this past year. She is twelve years old.

Mary Tyler's mother said that she had not even opened up her machine in ten years. But Mary Tyler became so interested in sewing that she would not let her mother rest until she got a new band for the machine, needles, and someone to oil and adjust the machine.

She also reported that Mary Tyler was so interested in sewing that it was difficult to keep her away from the machine on Sunday.

Sewing on the machine is a brand new experience for Mary Tyler as well as for the majority of the girls in the county. Mary Tyler practiced sewing on scraps of material and on paper until she could sew a straight seam.

When we held our dress revue in March, Mary Tyler wore a dress and slip that she had made herself. ^{she cost \$1.25} She did all the sewing on her dress and slip even to trimming the dress with ric rac braid which is often a difficult job for grownups. She has also learned to knit and crochet.

Mrs. Newman said "Mary Tyler has taught me a lot about sewing. I think that the 4-H club organization is the very finest thing for girls that I know anything about."

Roan Warren is only eleven years old, but she has surprised her Mother, as well as all her neighbors with the results of her Clothing Project.

The first year Roan made a doll outfit, by a commercial pattern, a cap and sewing box. The sewing box was made from a cigar box padded with cotton and covered with cretone.

The second year an apron, a dress with bound button-holes, hat and scarf was fashioned by Roan for the Dress Revue, and won first prize.

Julia Bell Twilley was a winner in the dress revue. She wore one of the ten dresses she made in club work in the past two years.

Aside from the ten dresses fashioned by Julia Bell she completed two doll outfits.

The doll outfits were made from the commercial patterns, as were the dresses for herself. To her list of accomplishments she added 2 aprons, an equipment box for sewing, 1 card table cover, a sofa cover, making candy and cakes.

In each club a demonstration for better health was put on by the Club Members and Home Agent.

Mrs. Neal Goodson, a teacher in the Pelham School said, "I have observed a decided improvement in my class room every since the demonstration on Health Habits and Improving Posture.

After the demonstration on posture the clubs selected the girl from the club with the best posture.

In the demonstration we had posters showing good posture and some posters showing poor posture. A discussion on how to improve our physical condition by eating plenty of fresh fruits, vegetables, drinking milk, and eating a balanced diet. The lesson sheets showing a balanced diet was given to the children to use as a guide and check sheet.

Many of the girls have often told me that they knew they ate a better balanced diet, since our lesson; they knew better what to eat.

Miss Bertha Dixon, a teacher, of the Leasburgh School said, "More of my school children bring milk to school now. It seemed that some of the parents discouraged the children from bringing milk, by saying it was "sissy" for them to bring milk to school. After our lesson the children, said "we must bring milk, because our Home Agent told us to."

All the girls in the Clubs have special lessons and instructions on Food Preservation.

The girls were asked to keep records on their canning projects:

Two hundred and twenty-five of the girls kept their records and I am sure many more of the girls really fulfilled the requirements but failed to keep reports. 5725 quarts of fruits and vegetable were reported and 1654 containers of jelly, jams etc.

The 4-H girls did not enter any of the canning contests this years. But the 4-H girls in the Cobb Club exhibited their canned goods in the Cobb Community Fair.

Seventy-five girls worked on preparation of food as a Minor Project. But only 59 of them reported their work. The fifty-nine girls prepared and served 1024 dishes of food, and planned and served 325 meals.

STATE 4-H CLUB SHORT COURSE

The 4-H Club boys and girls who attended the Short Course in Raleigh the last week in July reported a very profitable week. The girls and boys who attended have a broader and deeper meaning of 4-H Club work. Fannie Mae Bowes of Leasburgh, gave greetings from Caswell County over the microphone to a group of 960 4-H Club boys and girls from all over North Carolina. Fannie Mae said "This is the largest group I have ever spoken to before, but I cannot let Caswell County be left out in the program. I felt everybody must know that Caswell County was represented with 20 boys and girls". The boys and girls who attended the Short Course will aid us in our 4-H Club Camp this year which we hope to have at Camp Graystone in Guilford County the first week in September. The girls and boys will be notified of the exact date concerning the 4-H Camp.

MY TRIP TO RALEIGH

By Fannie Mae Bowes
Leasburgh 4-H Club Member

Twenty 4-H Club boys and girls left Yanceyville Monday, July 26, 1937 to attend the State Short Course. We arrived about 2:30 o'clock in the afternoon. First of all we went to the Y. M. C. A. to register. In there we found where our rooms were, who our roommate was going to be, about our classes and other necessary information. My roommate was from Nash County. She was a mighty fine girls, and I think we shall always be friends. It means so much to me to meet and make new friends.

At 6:00 o'clock we went to supper in the college cafeteria. This was the largest crowd that I had ever seen assembled at one time, and it certainly was the most noise I had ever heard. This did not affect my appetite after standing in the long line for almost an hour, it seemed to me. After supper all the boys and girls assembled on the Riddick Field for a song service, plays and games.

Beginning Tuesday Morning we attended classes. These classes were from 8 to 12:00 o'clock. I had a class in Clothing. As a result of this class work and the fine spirit shown throughout the entire Short Course I feel I can be of great help to my 4-H Club that I feel sure they will enjoy as a result of attending the State 4-H Short Course in Raleigh.

MY TRIP TO RALEIGH

By Fannie Mae Bowes
Leasburgh 4-H Club Member

Each evening except two was devoted to singing songs, plays and games on the field. The other two evenings we all assembled in Pullen Hall to enjoy some very fine 4-H Club demonstrations given by boys and girls from different parts of the state.

On Thursday the 960 boys and girls were entertained at a tea in the Governor's Mansion. This was one of the biggest thrills I have ever had. The Governor and Mrs. Hoey addressed the group while there. On another afternoon we were taken to the Museum and to the State Hospital. I could go on and on and never tell all the wonderful things we saw while in Raleigh.

On Friday, the last day of the program, was called the Achievement Day. The President and other officers were elected for the New Year. In the evening we had the Candle Lighting Service, which was beautiful, and I wish everyone in North Carolina could have seen it. The boys with their white shirts and pants formed the H's in the Leaf clover symbol, and girls formed the outer circle of the 4 leaf clover which practically covered the entire field. In the center of this large 4-Leaf Clover, Dr. Smith from Washington lighted the bonfire and the first candle which represented the part the Federal Government plays in the

From Mr. Harrell's the Home Agent's candles were lighted and then the Honor boys and girls were lighted and so on until every boys and girls candle was lighted. BEAUTY PAGEANT

With the help of the 4-H Club Members, the Home Agent put on a County Wide Beauty Pageant.

The girls taking part in the Beauty Pageant were sponsored by the Local Merchants. The Merchants paid \$2.00. This amount sponsored a Senior girl and a Junior girl we had 45 in the contest. An admission charge of 25 cents was made to the public. The net proceeds from this amounted to \$83.00 the 4-H Club Members share in the proceeds were spent in buying chairs for the County Home Demonstration Club Room and helping to buy a piano for the Club Room.

YANCEYVILLE SENIOR 4-H CLUB

The Yanceyville Senior 4-H Club girls planned and served dinner to the Local Rotary Club in November. They served forty-six people.

The girls carried out their 4-H Club colors by making the 4-H's with green paper on the white table cloths and making favors in form of a basket for the mints using green and white colored mints as well as baskets. The girls all wore their 4-H uniforms when serving the dinner.

The menu for Rotary Dinner:

Turkey	Dressing

SPECIAL ACTIVITIES:

HANDCRAFTS:

Some of our 4-H Club girls are doing much more than just learning to sew, especially in the Anderson Club. Elizabeth Brannock, Yanceyville, N. C. Route 1, of the Anderson Club crocheted three shopping bags. Josephine Standfield, Burlington, N. C., 3 bags, 1 rug and 2 slippers. Francis Oakley, 3 pairs of bedroom slippers, a bag and a rug. Martha Massey, 3 rugs and 1 bag. Odell Rudd, 1 rug and 3 pairs of slippers.

Grace Fitch, Mebane, N. C. Route 3, crocheted and sold 6 pocket books for \$3.75, 20 pairs of slippers for \$10.00, making a total of \$23.75. Grace estimated \$4.50 for materials as a conservative estimate.

HEALTH:

YANCEYVILLE 4-H CLUB

Yanceyville 4-H Club joined the 7th grade Health Club in adopting Ina Wilson and Annie Wilson, twin girls in the first grade. Some members of the 4-H Club girls or the girls of the Health Club gave the little girls their lunch each day or were to see that they got a good lunch. Two of the club girls carried the little girls to the barber for a haircut. All the members joined in helping by bringing some articles from home that these little girls could use. As a result these two little girls have plenty of clothes and are two mighty happy little girls. I am sure they do much better school work too.

CLUB ROOMS:

The Murphey 4-H Club girls have a lovely Club room in the School building.

There was vacant room in the Murphey School. The girls bought curtains and drapery for the windows. The seats are old benches which the girls are padding with old quilts or blankets and then covering with cretone. The odd chairs, we found at the school are used in our club room. These are painted a pretty color to harmonize with the other furnishings of the room.

An old table has been painted and a mirror placed above.

The high school girls find this room very valuable. This is the first time the girls have had a room where they could enjoy themselves during their free periods.

I have given these girls special instruction on the care of the skin, the makeup and care of the hair.

The Providence 4-H Club and Leasburg girls are planning a similar Club Room like Murphey.

4-H ACHIEVEMENT DAY PROGRAM

The Caswell County 4-H boys and girls held their first Achievement Day Program, November 17, 1937, in Bartlett-Yanceyville High School, with an attendance of about 200 people.

Francis Poteat, of Blanch, N. C., acted as chairman for the group and Oscar Watlington as secretary.

The meeting was called to order by the Chairman. Mrs. Sam Bason of Yanceyville, N. C., a Home Demonstration Club Member, conducted the devotionals for the group. Mrs. Bason's subject was "Our Purpose In Life". A most impressive message was given to the boys and girls. (She urged each one to purpose in their heart while they were young; to be, honest, courageous and good citizens. If this is done we need have no fear of our future citizens in Caswell County, said Mrs. Bason. *omit*)

(The boys and girls will long remember this beautiful message I am sure.)

Rebecca Wilson lead the 4-H boys and girls in repeating the club Pledge and a club song.

Francis, the chairman, recognized the visiting guests and all the 4-H Club Leaders present. She thanked the Club Leaders for their very fine cooperation (and help) in our program of work.

Each Home Demonstration Club, the Bank of Yancey ville, Insurance Company and Steeds Food Store, were also thanked for making it possible to give lovely prizes to the winners in the dress revue.

Fannie Mae Bowes gave a report for the girls 4-H Short Course in Raleigh, and Dooke Simmons a report concerning the boys' work while at Short Course.

Thomas Shelton reported the activites of the 4-H boys, and Billy Aldridge, "My Individual Project."

Rebecca Wilson very ably gave the County Report.

Miss Francis McGregor, our State 4-H Club Leader for girls, was introduced by Miss Maude Searcy, Home Agent. Miss McGregor stressed the value of 4-H Club Work, and the advantages in keeping records, of our achievements. (It is valuable for all of us to stop and check up on ourselves and see just what progress or achievements we have made. Miss McGregor urged every 4-H boy and girl to learn the 4-H Club Pledge and Club Songs and to put special emphasis on Parlementary Procedure.)

A County-Wide Dress Revue was another interesting feature of the Achievement Program.

CLUB PLEDGE

I Pledge:

My Head to clearer thinking;

My Heart to greater loyalty;

My Hands to larger service; and

My Health to better living for

My Club, my Community and

My Country.

SONG: CAROLINA

Carolina, Carolina,
 Heav'n's blessings attend her;
 While we live we will cherish,
 Protect and defend her.
 Tho' the scorner may sneer at
 And willings defame her,
 Still our hearts swell with gladness;
 Whenever we name her.

Hurrah! Hurrah!
 The old North State forever!
 Hurrah! Hurrah!
 The good old North State!

Then let all those who love us,
 Love the land that we live in
 As happy a region
 As on this side of heaven,
 Where Plenty and Peace,
 Love and Joy smile before us.
 Raise aloud, raise together
 The heart thrilling Chorus.

Club Motto: "To Make the Best Better"
