INTRODUCTION TO 4-H CLUB WORK

The 4-H Clubs in Pamlico County have shown some progress during the past year. They were greatly handicapped by having two new inexperienced agents within a year. However, the interested members went forward with their work and completed some of their projects. Several members have taken part in the State activities and have made fairly good showings.

An Assistant Farm Agent could be of great assistance in furthering the 4-H Program in Pamlico County. There is a great need for it in the County due to the lack of any vocational Home Economics or Agriculture.

The Service Club, with its decreased enrollment is still of great value to the older rural youth in Pamlico County.

ORGANIZATION

There are nine 4-H Clubs in Pamlico County with an enrollment of 193 girls and 73 boys. These clubs are organized in the five High Schools of the County. Four of the High Schools have Junior and Senior Clubs, while one school has only the Senior Club due to lack of space because the school burned and classes are held in the Gymnasium.

Each club has a President, Vice President, Secretary and Treasurer, a Reporter, and a Song Leader.

There is one Service Club in Pamlico County with fifteen members. The enrollment has been greatly reduced due to some of the boys being drafted, and other boys and girls taking defense work and other jobs in other places. There is no type of employment in Pamlico County available for the youth. The officers of the Service Club are President, Vice President, Secretary and Treasurer. There are recreation, program, social and entertainment.

All the 4-H Clubs in the county come together to form the Pamlico County Federation of 4-H Clubs with 272 members.

The County Federation holds its Annual Federation Day in the Spring. This year it was held in May in the Alliance Gymnasium. The Health Pageant was the feature of the program. In this pageant the healthiest boy and girl chosen in the County Health Contest were crowned King and Queen of Health in Pamlico County. Also a feature of the Federation Day program was a county-wide dress revue. There were 10 contestants. The entrants were divided into the blue, red, and white ribbon groups. Those placed in the blue group were Margaret Heath, County winner, which represented Pamlico County at the State Dress Revue, Marie Dixon, Hellen Holton, and Sara Morris. Red ribbon dresses were worn by Eva Carmady, Mildred Mason, and Frances Morris. In the white ribbon group were Margaret Muse, Sudie Bennett, and Ola Jones.

ORGANIZATION (Cont'd)

Joint Programs were held in December on Forestry; in January on Health, and in March on Health. In the Fall Forestry programs were held.

The boys and girls were especially interested in the uses of Forest products and in how to achieve normal weight. In all the Clubs, members were anxious to have a part in the Program.

Four of the Presidents learned to preside with poise. Other results are a more active interest in personal health and preservation of Forest Resources, and Sara Morris of the Hobucken Club planted an acre of pine seedlings.

Project Programs were given as demonstrations. The Junior girls had sewing and the Seniors Room Improvement. No judging contests were held. In January and March the whole 4-H period was given over to the health program, taking weights and measures and checking health records. In February the Agent demonstrated the making of a sewing bag for the Juniors, and bed making for the seniors. In April the demonstrations were the towels and closet accessories, shoe rack, hat stands, clothes bags.

The September and October meetings were given over to organization meeting which were held jointly. Officers of each club were elected and the work of the year explained.

In November joint meetings were held, and demonstrations given on the "Study Unit and Correct Lighting for this Unit".

The boys and girls have shown a great deal of interest in these demonstrations and have used information gained in their home life.

ORGANIZATION (Cont'd)

The County Federation Clubs form a District Federation. The twelfth District Federation is composed of Carteret, Jones, Onslow, Lenoir, Craven and Pamlico Counties. The Annual meeting was held on June 19, at Atlantic Beach. The 4-H and Service Clubs met in the afternoon session. The County 4-H Report was given by Mildred Mason, and the Service Club report by Eloise Sawyer. Members of both Clubs presented a Folk Dance, "The Old Grey Bonnet".

The County Council is the executive Board of the 4-H Federation. The Council is composed of the officers and committees of the local Clubs and local leaders. There are 35 members. The Council is scheduled to meet four times a year - in the Spring, Summer, Fall and Winter.

CLOTHING

No. enrolled ------ 90
No. completing ---- 58

Results: 108 dresses were made by the girls, 90 undergaments, 102 children's garments

One County dress revue was held on the Annual County Federation Day held in Alliance School on April 19th. Ten girls entered the contest. Margaret Heath of the Alliance Club was the county winner. Others in the blue ribbon group were: Hollen Holton, Marie Dixon, and Sara Morris. Red Ribbon winners were Eva Carmody, Mildred Mason, and Frances Morris. The girls in the white ribbon group were Margaret Muse, Sudie Bennett, and Ola Jones.

All of the girls wore cotton summer dresses. Nine were prints, and one a thin afternoon dress. The cost of each was approximately $1.50. These dresses were of attractive design, good colors, durable materials, and especially suitable to the individual girl. None of the girls earned any money from this project. The amount saved by the influence of the girl's clothing project was $287.00.

The girls have improved a great deal in the selection of their clothes. From the studies they have made they have improved their appearance by choosing more becoming colors and lines, more durable material. The construction processes show a very definite improvement.

Margaret Heath, who was county winner in the dress revue tells the story of the dress she wore in the State Revue and of her trip to Raleigh.

"I selected an evening dress for the dress I was to wear in the State Dress Revue because I needed a dress of this type this year as I am a senior in High School. The material was white taffeta with a large flowered design. There were no trimmings on the dress as it didn't need any.

CLOTHING (Cont'd)

The cost of my dress was follows:

6 yds. taffeta @ 1.00	6.00
1 zipper	.26
1 spool thread	.05
	6.31

The cost of the accessories are as follows:

1 pair silver sandals	3.98
Evening Bag	1.00
Evening slip	1.64
1 pair hose	.69
	6.31

My entire outfit cost $13.62. If I had bought the dress, I know it would have cost at least $16.95.

My Trip to State 4-H Dress Revue at Raleigh

"For a long time I had looked forward to the day of the state dress revue. When it at last arrived, I was quite excited.

When I arrived at State College where the dress revue took place. I went immediately and dressed, then I went before the judges to have my dress judged. As it was only eleven o'clock, and the dress revue was not until two thirty, most of us remained standing so our dresses would not become wrinkled.

After we ate lunch a group of us were called back before the judges. The winner was selected from this group.

The dress revue was presented in different scenes for each group. The party dress group, which I was in, was a garden scene. We had escorts as did the members of the best dress group. After the last scene had ended, the winners were announced. I am very happy to say I was in the blue ribbon group. Immediately after the dress revue ended we went over to the tower to have our pictures taken. One of the most thrilling and interesting days I have ever experienced had just ended.

FOODS AND NUTRITION

No. enrolled ----- 68
No. completing ---- 48

Next to clothing, the foods and nutrition project has proven the most popular with the girls.

Better planned, prepared and served meals from home products were stressed in this project. The "Live at Home" program was emphasized with the girls.

The following results have been accomplished.

340 meals served
1128 dishes prepared

ROOM IMPROVEMENT

Number Enrolled ---------- 12

Number Completing ---------- 9

The results of this project can be readily seen in these girl's homes. The rooms improved were bedrooms and many changes were made. Miss Mamie Whisnant gave a leader's school on the Wash Unit, and the Curtain Unit, and many improvements have resulted from these schools. The making of new bed spreads, curtains, dressing table covers , and other articles have added to the attractiveness of these rooms.

Nine rooms were improved, and forty-eight articles made.

Sara Morris of Hobucken tells the story of her work in room improvement.

"Every girl wishes to have a room of which she is proud to call her own. This was my desire when I started my Room Improvement Project.

The furniture in my room was worn out and I was unable to buy a complete new suite. In order to improve my room I had to use an inexpensive methods. So instead of buying an entire suite of furniture, I only bought a bed and an unfinished dressing table. Then I made a cover for the bed, and one for the table, both of the same color and style and at the same time corresponding and bringing out the color in the carpet. Lastly I made curtains of the same color, texture, and a similar style as the covers for the furniture. The materials used were white dotted swiss, and blue checked gingham.

I entered the curtains in the 4-H Room Improvement Unit at State Fair and was awarded a white ribbon or honorable mention".

CANNING

Number Entering --- 5

Number Completing - 5

Fruits and vegetables of all kinds were canned by the girls. Shirley Stevenson won first place in the County canning contest, and had her jars, one of peaches, and one of soup mixture sent to the State Fair. She was placed in the white ribbon group, and won a prize of fifty cents.

The results are: 348 quarts canned
210 containers of jelly, jam and other products canned

WILDLIFE CONSERVATION

Number Enrolled ---- 1

Number Completing -- 1

Sara Morris has done outstanding work in the Wildlife Conservation Project. She has been working on this project for three years. Her project was a very fine one and very complete. Her collection of insect specimens was an interesting one.

In the story given below, Sara tells of her wildlife and forestry project.

"For three consecutive years, the Conservation of Wildlife has been one of my projects. Each year I seem to learn and accomplish more.

During the past year, I planted 1,000 one year old loblolly pine seedlings on an acre of land which had grown very unproductive. These trees shall in the future provide homes for wildlife, and at the same time it is increasing our forestry area. The pine seedlings cost $2.00 .

I built bird houses for birds, planted shrubs which provide food for wildlife, and helped conserve wildlife in every way I could.

My reward was a free week of camping at the Wildlife Conference held at Camp Killatome. At camp we studied trees, birds, fish, and all phases of wildlife and the soil.

I returned home with the feeling that the Conservation of Wildlife is the duty of every 4-H club member.

Sara Morris

HOME BEAUTIFICATION

NUMBER ENROLLED ----- 5

NUMBER COMPLETING --- 1

This Home Beautification project has been one of the best projects conducted in the county. The project that has been completed is a very fine one, and shows what can be accomplished by boys and girls in making their home surroundings more attractive. (See Pictures)

The story is related below.

"Through my activities in the Home Beautification project, I have both learned and accomplished a great deal.

In the early Fall, the State Landscape Gardner planned my home grounds for me. I began then to follow his plan to screen off undesirable views such as barn yards with evergreen borders, to have a general clean up and to have a free, open, and attractive yard.

Through this project, I planted one hundred and twenty perennial shrubs of which approximately twenty-five were native shrubs, and about twenty-five different varieties of annual flowering plants.

I do not intend to stop my work here, I plan to continue improving what I have already done".

Sara Morris

LEADER'S SCHOOL

One Leader's School was held in June on Home Furnishings. Miss Mamie Whisnant, Assistant Specialist in Home Management and House Furnishings conducted the school. Twenty-two girls, leaders and others attended.

The first demonstration was on the "Wash Unit for the Girl's Bedroom". All the necessary articles for a girl's bath was shown and explained as well as the providing of some particular place in the bedroom for bathing.

The other demonstration was on "Curtains for a 4-H Girl's Bedroom". In this demonstration was shown the various types of curtains suitable to the different type rooms, measurements, material trimmings, rods, and other problems dealing with curtains were discussed.

THE HEALTH PROGRAM

Two programs on Health were presented to each club last year. One hundred and ninety-three girls enrolled in the Health Project. Forty-four record books were completed.

A health pageant was held on Federation Day in Alliance. Sara Morris of the Mobucken Club, and Julius Dees of Alliance Club were crowned Queen and King of Health. Attendants were Virginia Hooker, Lois Pipkin, Kermit Sadler, and Frank Paul Silverthorne. Elvira Daniels, and Pat Dawson were crown bearers. The King and Queen took part in the State Pageant held in Raleigh at State College during 4-H Short Course.

The club members were checked only one time by the County Health Nurse and Doctors.

All 4-H girls in the County improved their health records by preventative measures of immunization for typhoid, diptheria, or small pox.

FEDERATION DAY

Federation Day was held in April at the Alliance School Gymnasium, with sixty-five attending. The outstanding feature of the program was the crowning of the King and Queen of Health, Julius Dees, Jr., of the Alliance School, and Sara Morris of the Mesic School.

A dress revue was held with ten entering. The entrants were divided into the blue, red and white ribbon groups. Those placed in the blue group were Margaret Heath, Marie Dixon, Hollon Holton, and Sara Morris. Red ribbon dresses were worn by Eva Carmody, Mildred Mason and Frances Morris. White ribbon dresses were worn by Margaret Muse, Sudie Bennett, and Ola Jones. Margaret Heath was winner and represented the county in the State 4-H dress revue in October.

CONTESTS:

Rural Electrification

No. participating ---- 5
Sarah Morris, County Winner; also alternate State winner

Dress Revue

No. participating - 10
Margaret Heath County winner; also placed in blue ribbon group for State.

Rural Electrification

Through my 4-H Rural Electrification Project, I have learned the many ways in which rural communities are being benefited by the use of electricity.

While carrying on my project during the past year, I learned to splice cords, make electric lamps out of old kerosene lamps, to iron with electricity, to wash, how houses should be wired, and the history of Rural Electrification.

This is the third consecutive year I have taken Rural Electrification as one of my projects. This year I was alternate winner in the State, and I expect to carry my project work in this field further next year.

Sarah Morris

HONORS WON

Sara Morris has been the outstanding 4-H Club Member in Pamlico County for the past few years. She has won many honors. This year she was the State Alternate Winner in the Rural Electrification Contest. The curtains Sara made for her Room Improvement Project were displayed at the State Fair. She was placed in the White Ribbon Group and was awarded $2.50 prize.

Shirley Stevenson had her canning exhibit displayed at the State Fair. She was also placed in the white ribbon group and won a fifty cents prize.

Margaret Heath was County winner in the 4-H dress revue. She was placed in the blue ribbon group in the State 4-H Dress Revue.

OLDER YOUTH ORGANIZATION

The Service Club of Pamlico County has been organized three years. The membership at the beginning of the year was forty-eight members, but due to present conditions, such as the draft, defense work and other type of work our membership has gradually decreased to about seventeen members. However, these remaining at home have very good meetings.

Meetings are held twice a month in the Agricultural Building in Bayboro. There are three divisions in their meetings namely: Program, Project, and Recreational.

The members help as leaders in the 4-H and adult club program.

Some of the members carry projects as the 4-H Club members do. Many club members work in offices so they do not carry projects. The accomplishments of the Service Club are given below:

1. We have held fourteen regular club meetings with an attendance of 221 members present.

2. A week-end encampment was held at White Lake.

3. The Pamlico County Service Club attended the District Service Club Banquet.

4. The High School Seniors were entertained at a marshmallow and weiner roast.

5. One delegate, Eloise Sawyer, was sent to the Rural Older Youth Conference.

6. Local people were invited to talk to the club on topics that were discussed at the meetings.

7. Six recreational meetings have been held, including weiner roasts, square dances, oyster roasts, and parties.

8. Ten members attended the District Meeting at Atlantic Beach.

The Service Club plans to take part in the National Defense Program by cooperating in the agencies that promote such as the A. A. A., the Foods and Nutrition Program, the Red Cross, and the other agencies in the county that call on us.

CAMP

4-H Camp was held jointly with Craven County at Neuse Forest from Au ust 18-21. Forty club members, four counsellors, and two instructors attendd the encampment. Eleven girls and two boys were in this group from Pamlico County.

Mrs. Ralph Shupp of New Bern, and Miss Margaret Watson instructed the group in First Aid and Care of the Sick. Miss Watson also taught the group handicraft. Mr. Paul Cox, Assistant Agent in Craven County was in charge of the recreational program. This consisted of swimming, ball games, checkers, etc.

Twilight Vesper Programs were held in the evenings. Each County had charge of one program. After the Vesper Services, the evening recreational meetings were held in the Auditorium of the Brinson Memorial School. North Carolina - Varietyland, a film strip, was presented. Singing, Games, and Square Dances were enjoyed by all. On Wednesday evening each group presented a one act play.

One of the chief attractions was the Marine Airplanes. They were flying constantly overhead. A trip was taken to Mitchell Field to see these planes on the ground. Rain marred the pleasure of the camp for two days, and prevented the taking of pictures.

Ben Mintz of Bayboro, who has spent the past four years in an orphanage seemed to enjoy the camp more than anyone else. He had never been to a camp before and the playing together with the other children, the recreation, and all of the other activities seemed to mean so much to him. His mother, with whom he is now living, remarked that "Ben enjoyed camp more than anything he had ever been too".

SHORT COURSE

The Short Course held in Raleigh at State College, July 28-August 2 was attended by eighteen members from Pamlico County, fifteen girls and three boys.

These boys and girls gained much helpful information on various subjects. The knowledge gained in these classes have been greatly shown in their club meetings.

OUTLOOK OF RURAL YOUTH IN PAMLICO COUNTY

The 4-H Club Organization has not accomplished as much as was planned for this year. This fact was probably due to the change in Home Agents, and their lack of experience.

Active leaders and an Assistant County or Home Agent would advance the program extensively.

Contests have been a great help this year in bringing before the parents some definite objectives of the 4-H Program of Work, Meetings and visits have also helped to further the work.

Many boys and girls are unable to go to college due to the lack of finances. To this group the Service Club has been a great help in bringing them demonstrations, association with others, and recreation in their meetings.

The 4-H and Service Club Members for the most part come from rural homes where the parents are interested in Home Demonstration work , and the farm program. With the outlook for young people as it is today, we hope the Service Club can fill a definite need in the lives of the young people who are left at home.

RECOMMENDATIONS AS FOLLOWS:

1. To increase our active membership
2. More active leaders
3. Interesting and well planned meetings
4. Active County Council Organizations
5. Representatives attending Short Course and District Meeting
6. An encampment held and four recreational meetings.
7. Entrants in seven contests submitted
8. One Achievement and one Federation Day held

A SONG OF THE OPEN COUNTRY

A song of the open country,
That we love so well,
Where freedom of outdoor living
Holds us in its spell;
The splendor of skies at dawning
The golden sunset's glow
Our hopes arise 'neath starlit skies
All nature helps us grow;

So life in the open country,
With growing things around,
Where our Creator's wisdom
On every hand is found,
Gives youth of the open country
A partnership with Him
The work we share builds us foursquare
Head, heart, hands, health for Him.

SONG OF HEALTH

Iron of the earth, Glow of the sun
Breath of the four winds clean;
Hours for work, Hours for play,
With stars and sleep between.

Chorus

Our goal is health, the quest for man and maid,
The great adventure rare, For health holds life
and laughter and strength and happiness to spare.
Our goal is health, the quest for man and maid,
Lift high the goblet fair, And pledge a toast from
coast to coast, "Our health, the wealth we keep and share!"

Faces that lift, Pulses that throb, Limbs that are
lithe and strong, Heads that think, Hands that do,
And hearts that serve with song.

GOD BLESS AMERICA

God Bless America, Land that I love,
Stand beside her and guide her
Through the night with a light from above.
From the mountains to the prairies
To the oceans white with foam,
God Bless America, My Home Sweet Home!

Service Club Song

We are the Service Club of Pamlico
We need your loyalty to make us grow
We'd like to be the best of all you know
So, come on boys and girls and help to make it so.

Let's put our heart and soul in what we do
And lets be sure we can depend on you
For what we reap, depends on what we sow

"SONG OF HEALTH"

Iron of the earth, glow of the sun,
Breath of the four winds clean;
Hours for work, Hours for play,
With stars and sleep between.

Our goal is health, the quest for man and maid,
The great adventure rare,
For health holds life and laughter
And strength and happiness to spare.
Our goal is health, the quest for man and maid,
Lift high the goblet fair,
And pledge the toast from coast to coast,
"Our health, the wealth we keep and share!

"THE CAMEL SONG" ("You Were A Tulip")

Are you a camel, a camel, a camel and do
you have a hump? hump, hump?
D'you sit at the table as straight as
you're able, or d'you sit all in a
lump, lump, lump, lump?
Are you a flapper, a flip-floppy flapper,
without any starch in your spine?
If you're a flapper, a flip-floppy flapper
please go somewhere else to recline!

For my club, my community, and my country.

A SONG OF THE OPEN COUNTRY

A song of the open country-that we love so well,
Where freedom of outdoor living holds us in its spell;
The splendor of skies at dawning; the golden sunset's glo
Our hopes arise 'neath starlit skies, all nature helps us grow.
The awakening of life in springtime, gives us hope anew;
The long growing days of summer give us work to do.
In autumn the golden harvest fulfills our hope of spring
And proves the love of Him above who guards each living thing.
So life in the open country with growing things around,
Where our Creator's wisdom on every hand is found,
Gives youth of the open country a partnership with Him-
The work we share builds us four-square-head, heart, hands, health for Him.

SING YOUR WAY HOME

Sing your way home atthe close of the day;
Sing your way home, drive the shad-ows a-way,
Smile ev-ry mile, for wherever you roam
It will lighten your load,
It will brighten your road,
If you sing your way home.

CAMP SONG

There's a camp along the good old Neuse
"Camp Neuse Forest" is it's name.
From the rise of sun to the setting sun
There's lots of fun out there.

In the water blue we go to swim,
Come right on in with us!
We have eats that make us look
And cooks that can cook,
In that camp along the good old Neuse.

COMRADE SONG

(Tune: Tiritomba)

When the lark to greet the sun
Is gaily winging
Over grasses diamond flinging;
When sweet clover breath
The morning breeze is bringing
Won't you come along with me?

Chorus:

Oh, my sister! Oh, my brother!
Let us up and out and greet the morning too
Oh, my sister! Oh, my brother!
I am waiting here for you.

When the vesper sparrow
To his mate is calling,
And the evening shadows falling,
When the afterglow
The world is all enthralling,
Won't you come along with me?

Oh, my sister! Oh, my brother!
Let us wander under heaven's starry blue.
Oh, my sister! Oh, my brother!
I am waiting here for you.

4-H CANDLE LIGHTING SONG

Let our deeds shed cheerful ray,
As candles gleam from ev'ry home,
To light wayfarers on their way;
Or welcome back the ones who roam.

Our many 4-H candles' glow,
Shall make in all a Glory bright
To shine for all where'er we go,
And make their daily burden light.

So speed the light that gleams and cheers,
That all who see our candles shine
May have great joy thru-out the years;
And find the way to things divine.

FOLLOW THE GLEAM

To the Knights in the days of old,
Keeping watch on the mountain heights,
Came a vision of Holy Grail,
And a voice through the waiting night.
Follow, follow, follow the gleam,
Banners unfurled o'er all the world;
Follow, follow, follow the gleam
Of the Chalice that is the Grail.

And we who would serve the King,
And loyally Him obey,
In the consecrate silence know
That the challenge still holds today.
Follow, follow, follow the gleam,
Standards of worth o'er all the earth;
Follow, follow, follow the gleam,
Of the light that shall bring the dawn.

JOHN WESLEY'S "GRACE"

Be present at our table Lord,
Be here and everywhere adored;
These mercies bless, and grant that we
May dwell in Paradise with Thee.

COME LET US BE JOYFUL

Come let us be joyful,
While the world is happy and gay.
Come gather ye roses ere they fade away
So don't you worry, and don't you fret,
There's lots of fun in the old world yet.

So take a rose, the thorn forget;
And go on your way rejoicing.
Come let us be joyful,
While the world is happy and gay;
Come, gather ye roses ere they fade away.

DAY IS DYING IN THE WEST

Day is dying in the west,
Heaven is touching earth with rest;
Wait and worship, while the night
Sets her evening lamps alight
Through all the sky.

Chorus:
Holy, Holy, Holy, Lord God of Hosts!
Heaven and earth are full of Thee,
Heaven and earth are praising Thee,
O Lord, Most High.

Lord of life, beneath the dome
Of the universe, Thy home;
Gather those, who seek Thy face
To the fold of Thy embrace;
For Thou art nigh.

DREAMING

My home must have a high tree
Above its open gate,
My home must have a garden
Where little dreamings wait.
My home must have a wide view
Of field and meadow fair,
Of distant hills, of open sky
With sunlight everywhere.

My home must have a friendship
With every happy thing;
My home must offer comfort
For any sorrowing.
And every heart that enters
Shall hear its music there.
And find some simple beauty
That every life must share.

My home must have its mother,
May she grow sweet and wise.
My home must have its father
With honor in his eyes.
My home must have its children,
God grant the parents grace,
To keep our home through all the year
A friendly, happy place.

WE'RE HERE FOR FUN

We're here for fun right from the start
Pray drop your dignity
Just laugh and sing with all your heart,
And show your loyalty.
The other meetings we've enjoyed,
Let this one be the best;
Join in the songs we sing today,
Be happy with the rest.

SONG OF HEALTH

Iron of the earth, glow of the sun,
Breath of the four winds clean;
Hours for work, hours for play,
With stars and sleep between.

Chorus:
Our goal is health, the quest of man and maid,
The great adventure rare,
For Health holds life and laughter, and strength and happiness to spare.
Our goal is health, the quest for man and maid.
Lift high the goblet fair,
And pledge the toast from coast to coast;
"Our health, the wealth we keep and share

Faces that lift, pulses that throb,
Limbs that are lithe and strong;
Heads that think, hands that do,
And hearts that serve with song.

HOW DO YOU DO

How do you do everybody?
How do you do?
Is there anything that we can do for you?
We'll do the best we can,
We'll stand by you like a man.
How do you do everybody, how do you do?

PUFFABILLIES

DOWN at the station, early in the morning
See the little puffabillies all in a row.
See the engine driver turn a little handle
Choo-choo, woo-woo, off we go.

CAPTAIN JINKS

I'm Captain Jinks of the Horse Marines,
I feed my horse good corn and beans,
I swing the ladies in their teens;
For that's the style in the army.

I teach the ladies' how to skip
How to skip, how to skip;
I teach the ladies how to skip,
For that's the style in the army.

Salute your partner and turn to the right
And swing your neighbor with all your might;
And promenade to the lady's right,
For that's the style in the army.

IT ISN'T ANY TROUBLE

It isn't any trouble just to S-M-I-L-E
It isn't any trouble just to S-M-I-L-E
Smile when you're in trouble
It will vanish like a bubble,
If you'll only take the trouble
Just to S-M-I-L-E.

It isn't any trouble just to L-A-U-G-H
It isn't any trouble just to L-A-U-G-H
Laugh when you're in trouble,
It will vanish like a bubble;
If you'll only take the trouble
Just to L-A-U-G-H.

It isn't any trouble just to G-R-I-N grin
It isn't any trouble just to G-R-I-N grin.
Grin when you're in trouble,
It will vanish like a bubble;
If you'll only take the trouble
Just to G-R-I-N grin.

COME AND SING WITH ME

Come all you Club folks
Come out and sing with me.
Leave all your troubles be,
Please get happy with me.
Sing out your sorrows,
Bring out your spirit true,
And we'll be jolly friends
The whole camp through.

O yes you can sing,
And help out others too;
I heard you once before,
So please let's sing once more.
There's no use sighing,
No reason to be blue.
So let's be a jolly group,
The whole camp through.

LITTLE SIR ECHO

Little Sir Echo, How do you do?
Hello Hello
Hello Hello.
Little Sir Echo will answer you,
Hello Hello
Hello Hello.
Won't you come over and play and play.
You're a nice little fellow
I know by your voice,
But you're always so far away away.

ARE YOU SLEEPING

Are you sleeping? Are you sleeping?
Brother John, Brother John?
Morning bells are ringing,
Morning bells are ringing
Ding, ding, dong, ding, ding, dong.

THE MORE WE MEET TOGETHER

The more we meet together, together together,
The more we meet together the happier are we.
For your friends are my friends,
And my friends are your friends
The more we meet together, the happier are we.

TAPS

Fading light dims the sight.
And a star gems the sky, gleaming bright.
From afar drawing nigh
Falls the night.

Day is done, gone the sun
From the lake, from the hills, from the sky.
God is nigh.

Then good night, peaceful night,
Till the light of the dawn shineth bright;
Friends, good night.

PARTING SONG

(Tune: Till We Meet Again)

4-H Club folks that we love so well,
You're the folks that in our memories dwell;
When we part from our friends here,
We'll boost Club work all the year;
And the friends we've met so merrily
One and all we'll hold in memory.
So, farewell, 4-H friends, we say
Till we meet again.

LIVE-AT-HOME SONG

Yes, I've been farming by old plans
With little food to eat,
But now my plan for home supplies
Include my bread and meat.
Chorus:
Oh, yes, I'll grow my home supplies
I'll grow my home supplies;
No other plan is safe for me,
I'll grow my home supplies.

Son now, beware of credit plans,
With prices soaring high;
Your crops will go to pay your bills,
And leave you high and dry.

With gardens, corn, pork, and hay,
With poultry and a cow,
We'll bid farewell to mortagages,
And live as kings know how.

Our boys and girls will then stay on
To dwell upon the farm,
For they will like to live where we
Provide a home with charm.

THE QUILTING PARTY

In the sky the bright stars glittered,
On the bank the pale moon shone,
And 'twas from Aunt Dinah's quilting party,
I was seeing Nellie home.
I was seeing Nellie home.
I was seeing Nellie home;
And 'twas from Aunt Dinah's quilting party,
I was seeing Nellie home.

SILVER THREADS AMONG THE GOLD

Darling, I am growing old,
Silver threads among the gold
Shine upon my brow today,
Life is fading fast away;
But my darling you will be, will be
Always young and fair to me.
Yes! My darling, you will be
Always young and fair to me.

Darling, I am growing old,
Silver threads among the gold
Shine upon my brow to day,
Life is fading fast away.

IT'S A GOOD TIME TO GET TOGETHER

It's a good time to get together
It's a good time to know
Who is standing there beside you,
And to smile and say Hello.
Goodbye, lonesome feeling,
Farewell, glassy stare;
When we all join hands and pull together
We're sure to get there.

ARE WE DOWNHEARTED?

Are we downhearted? No, no, no.
Are we downhearted? No, no, no.
Troubles may come and troubles may go;
We keep on smiling, come weal or woe.
Are we downhearted (whistle), no, no, no.

THREE BLIND MICE

Three blind mice, three blind mice,
See how they run. See how they run!
They all ran after the farmer's wife,

She cut off their tails with a carving
knife.
Did you ever see such a sight in your
life
As three blind mice.

AMERICA, THE BEAUTIFUL

O beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain.
America! America!
God shed His grace on thee
And crown Thy good with brotherhood
From sea to shining sea.

O beautiful for patriot dream
That sees beyond the years
Thine alabaster cities gleam
Undimmed by human tears.
America! America!
God shed His grace on thee,
And crown Thy good with brotherhood
From sea to shining sea.

WHEN YOU AND I WERE YOUND, MAGGIE

I wandered today to the hill, Maggie,
To watch the scene below,
The creek and the creaking old mill, Mag-
gie
Where we sat in the long, long ago.
The green grass is gone from the hill,
Maggi
Where first the daisies sprung.
The old rusty mill is still, Maggie,
Since you and I were young.
And now we are aged and gray, Maggie,
The trials of life nearly done,
Let us sing of the days that are gone
When you and I were young. Maggie

RHEUMATISM

(1) Rheumatism, rheumatism,

(2) How it pains, how it pains,
(3) Up and down the system,
Up and down the system,
(4) When it rains, when it rains.

THE OLD NORTH STATE

Carolina, Carolina,
Heav'n's blessings attend her!
While we live we will cherish,
Protect and defend her.
Tho' the scorner may sneer at,
And witlings defame her,
Still our hearts swell with gladness
Whenever we name her.

Hurrah! Hurrah!
The old North State forever!
Hurrah! Hurrah!
The good old North State.

Then let all those who love us,
Love the land that we live in;
As happy a region
As on this side of heaven,
Where Plenty and Peace,
Love and Joy smile before us.
Raise aloud, raise together
The heart-thrilling chorus.

WE BELIEVE IN OUR STATE

We believe in our state, we believe
in her strong
We will talk her, and praise her and
boost her along.
Carolina, shout her up now, Carolina
again.
Carolina, whoop her up now, ye women
and men
Carolina, sure smiles, there is pep in
the air.
'Tis because they are doing great
things down there.
Carolina, shout her out now, Carolina
Carolina whoop her up now, again
ye women and men.

BATTLE HYMN OF THE REPUBLIC

Mine eyes have seen the glory
Of the coming of the Lord,
He is trampling out the vintage
Where the grapes of wrath are stored;
He has loosed the fateful lightening
Of His terrible, swift sword;
His truth is marching on.

Glory, glory, hallelujah!
Glory, glory, hallelujah!
Glory, glory, hallelujah!
His truth is marching on.

In the beauty of the lillies,
Christ was born across the sea;
With a glory in His bosom,
That transfigures you and me.
As He died to make men holy
Let us strive to make men free,
While God is marching on.

THE CHURCH IN THE WILDWOOD

There's a church in the valley by the wildwood,
No lovlier place in the dale,
No spot is so dear to my childhood,
As the little brown church in the vale.
(Chorus)
Oh, come, come, come, come,
Come to the church in the wildwood
Oh, come to the church in the dale
No spot is so dear to my childhood,
As the little brown church in the vale.

How sweet on a clear Sabbath morning,
To list to the clear ringing bell,
It's tones so sweetly are calling,
Oh, come to the church in the vale.

WE'RE ON THE UPWARD TRAIL

We're on the upward trail,
We're on the upward trail,
Singing, singing, ev'rybody singing
As we go.
We're on the upward trail
We're on the upward trail
Singing, singing, ev'rybody singing,
Onward bound.

IS EVERYBODY HAPPY?

Is everybody happy? SURE WE ARE!
Then turn and make your neighbor happy
Is everybody happy? SURE WE ARE,
See the sun shine through.
Greet your neighbor with a smile
When you're dead, you're dead a long, long while.
Is everybody happy? SURE WE ARE!
Then turn and make your neighbor happy too.

PACK UP YOUR TROUBLES

Pack up your troubles in your old kit bag
And smile, smile, smile;
While you've a lucifer to light your fag,
Smile boys, that's the style.
What's the use of worrying?
It never was worth while, so —
Pack up your troubles in your old kit bag
And smile, smile, smile.

ANNIE LAURIE

Maxwelton's braes are bonnie,
Where early fa's the dew;
And 'twas there that Annie Laurie
Gave me her promise true,
Gave me her promise true,
Which ne'er forgot will be,
And for bonnie Annie Laurie
I'd lay me doon and dee.

ON JORDAN'S STORMY BANKS

On Jordan's stormy banks I stand
And cast a wistful eye,
To Canaan's fair and happy land,
Where my possessions lie.

(Chorus)
I am bound for the promised land,
I am bound for the promised land,
O, who will come and go with me?
I am bound for the promised land.

When shall I reach that happy place,
And be forever blest/
When shall I see my Father's face
And in his bosom rest/

SWING LOW SWEET CHARIOT

Swing low, sweet chariot, coming fo' to carry me home,
Swing low, sweet chariot, coming fo'to carry me home.

I looked over Jordan and what did I see?
Coming fo' to carry me home,
A band of angels coming after me;
Coming fo' to carry me home.

I'm sometimes up and sometimes down,
Coming fo' to carry me home.
But still my soul feels heavenly bound,
Coming fo' to carry me home.

SING YOUR WAY HOME

Sing your way home at the close of the day;
Sing your way home, drive the shadows away,
Smile ev'ry mile, for wherever you roam
It will lighten your load,
It will brighten your road,
If you sing your way home.

WHEN THE ROLL IS CALLED UP YONDER

When the trumpet of the Lord shall sound,
And time shall be no more
And the morning breaks eternal, bright and fair
When the saved of earth shall gather
Over on the other shore,
And the roll is called up yonder, I'll be there,

When the roll is called up yonder
When the roll is called up yonder,
When the roll is called up yonder,
I'll be there.

Let us labor for the Master
From the dawn till setting sun,
Let us talk of all His wondrous love and care;
Then when all of life is over,
And our work on earth is done,
And the roll is called up yonder I'll be there.

THE WAY OF THE CROSS LEADS HOME

I must needs go home by the way of the cross
There's no other way but this;
I shall ne'er get sight of the Gates of light,
If the way of the cross I miss.

The way of the cross leads home,
The way of the cross leads home;
It is sweet to know, as I onward go,
The way of the cross leads home.

I must needs go on in the blood-sprinkled way,
The path that the Savior trod,
If I ever climb to the heights sublime,
Where the soul is at home with God.

GOD BLESS AMERICA

God bless America, land that I love.
Stand beside her and guide her
Thru the night by the light from above,
From the Mountains
To the praries
To the ocean white with foam.
God bless America, My home sweet home,
God bless America, My home sweet home.

TO ALL 4-H GIRLS INTERESTED IN HOME BEAUTIFICATION & ROOM IMPROVEMENT

Dear 4-H Girls:

Our county has been asked to send a curtain exhibit to the State Fair in Raleigh, October 14-18. I am writing this letter to the girls who are taking Home Beautification and Room Improvement as their projects and asking you to enter the county contest which will be held late in Sept. or early in October.

I hope that each of you will make a pair of curtains for this exhibit. They need not be of the most expensive material but what we would like is a durable, attractive curtain of good design, color and good workmanship that will be suitable for the room in which they are to be used. I have ordered some samples for curtain materials that are very reasonable and as soon as I receive them I will be glad for you girls to see them.

On the enclosed card please fill in and return to me if you wish to enter the contest, and then I can help you further with them. I want our county to have a good showing.

Hoping to hear from each of you, I am

Sincerely yours,
Doris Shuler

PAMLICO FARM YOUTHS ACTIVE IN CLUB WORK

The Pamlico County 4-H Service Club has suffered a loss in membership this year, as have the other 4-H Clubs, due to many of the older boys entering the Army and other boys and girls going into defense work. However, the few that are left still carry on the work, says Doris Shuler, Pamlico Home Agent.

At this time there are 15 active members.

Two meetings are held each month the first meeting we have our regular project work while the second meeting is devoted to recreation.

In summarizing the activities for the past year, Miss Shuler says these things are accomplished:

1. We have held 14 regular club meetings with an attendance of 221 members present.

2. A week-end encampment was held at White Lake.

3. The Pamlico County Service Club was host to the District Service Club.

4. High School Seniors were entertained at a Marshmallow and Weiner Roast.

5. One delegate, Eloise Sawyer, was sent to the Rural Older Youth Conference.

6. Local people were invited to talk to the club on topics that were discussed at the meetings.

7. Six recreational meetings have been held.

8. Ten members attended the District Meeting at Atlantic Beach.

The Pamlico Service Club will have a part in the National Defense Program by cooperating with all agencies that promote it such as the State College Extension Service, the AAA, the Food and Nutrition Program, the Red Cross, and the other agencies in the county that need our aid. The girls plan to study as their major project for 1942 "The Preparation for Marriage and Home Making."

SERVICE CLUB TO WHITE LAKE

Seven Service Club members went to White Lake the week-end of June 20-22. The group occupied a cottage at Marshburn's Beach.

Those attending were: June and Margaret Lee Dunn, Shirley Gaskins of Stonewall, Ruby Ireland and Robert Riggs of Bayboro, Walter Hardison and Joe Bland of Arapahoe, Mr. A. T. Jackson, County Agent and Miss Doris Shuler, Home Agent.

Service Club Entertains

On Wednesday evening the Pamlico County Service Club entertained the High School Seniors from the five 4-H Clubs in the County. The groups met in the auditorium of the Agriculture building at 8 o'clock at which time a program of four skits was presented as follows: "The Matinee" by Eloise Sawyer, Ruby Ireland and Carolyn Waters; "Her Souvenirs" by Lucille Fulcher and June Dunn; "With Complications" by Walter Hardison, Joe Bland and Robert Riggs; "The Lover's Errand" by Stella Hardison and Staley Scott. The group was then invited out under the pines for a weiner roast. Mr. Jackson, farm agent, and Walter Hardison directed recreational activities.

SERVICE CLUB

The Pamlico County Service Club met Friday night, December 27, in the Agriculture Building, Tuffy Hardison, president, presiding. The Program Planning Committee presented a well worked out program, both informative and recreational for 1941, which was accepted by the group. After the short business session the meeting was turned over to Eloise Sawyer and L. B. Miller who directed an enjoyable recreational program including the singing of carols, contests and games, ending with an exchange of gifts around the Christmas tree. Miss Bettie Cooper Davis, Home Agent, assisted by Carolyn Waters and Eloise Sawyer, served spiced tea and cup cakes.

SYLVA GIRL IS WINNER OF STATE REA HONORS

Phyllis Dillard, 16-year-old daughter of W. G. Dillard of Sylva, Route 1, has been announced as State winner of the 4-H rural electrification contest by Miss Frances MacGregor, assistant club leader at State College, and, as a reward for this outstanding achievement will receive a free trip to the National 4-H Club Congress which will be held in Chicago, November 29-December 4.

During the six years this Jackson County girl has been enrolled as a 4-H Club member, her projects have been worth $1,762.67 to her and her family. As an example of her all-around activities in club work, she made nine garments during the past year, kept a half-acre garden, conducted a baby beef project, canned 200 quarts of fruits and vegetables, prepared 100 meals, and helped to beautify the ground about her home.

Runner-up in the rural electrification contest was Sarah Ann Morris, 16-year-old daughter of J. S. Morris of Music in Panther County. Like Miss Dillard, she has been enrolled in 4-H Club work for six years.

Sarah Ann Morris spent last week at the "Wild Life encampment." This being the third summer Miss Morris has been the guest of this organization, emphasizes a real achievement on her part.

Hobucken 4-H Club Meeting

The Hobucken 4-H club met on November 17, in the library. The meeting was called to order by the president Sarah Morris. Roll was called and minutes read by the secretary, Frances Morris.

The project lesson was given by Miss Shuler on the study unit and the light for the study unit. Some interesting suggestions she gave us were as follows: 1. How to use the light. 2. How to sit when reading. 3. How to make an electric light out of an old kerosene lamp. 4. How to arrange the book-holders, letter racks and the blotter on the top of your desk. 5. How to make waste paper baskets, book-holders, letter racks, and a pencil box, etc.

After the discussion, project study was taken up, the meeting closed with a word from Mr. A. T. Jackson.—Hazel Williamson, 4-H Club reporter.

FOUR-H MEETING HELD

4-H meetings were held in the five High Schools in the County last week. Explanation of the year's work was given by the Agents, Miss Mary Shuler and Mr. A. T. Jackson. BAYBORO, May 1.—Pamlico county 4-H Federation Day was held Saturday, April 25, in the gymnasium of Alliance school. Mildred Mason, vice president, presided.

The meeting opened with the singing of "A Song of the Open Country." The invocation was given by Rev. J. K. Ormond of Oriental. The minutes were read and approved and the roll called. Alliance club had the largest representation.

Sarah Morris of Hobucken club and Julius Dees of Alliance club were crowned Queen and King of Health of Pamlico county by C. M. Brickhouse, district farm agent. Attendants were Virginia Hooker, Lois Pipkin, Kermit Sadler and Frank Paul Silverthorne. Little Miss Elvira Daniels of Arapahoe and Master Jai Dawson of Alliance were crown bearers.

Mr. Brickhouse gave an interesting talk, emphasizing the relationship between the production of ample food for the farm family and the health status of the same family.

Following Mr. Brickhouse's address came a cotton dress parade. Margaret Heath of Alliance won first place, and will represent Pamlico county in the state 4-H dress revue in Raleigh next fall. Marie Dixon, Holland Holton, and Helen Carawan modeling Sarah Morris' dress were also in the blue ribbon group. Eva Carmody, Mildred Mason and Frances Morris were awarded red ribbons. Margaret Muse, Sudie Barnett and Ola Jones were awarded white ribbons.
