III. INTRODUCTION

1-H Club work for the girls was organized in 1911 with Mrs. Gorda C. Boney as Home Agent. In 1945, Miss Dorothy Pennell was appointed Assistant Home Agent and her work terminated July 31, 1946. There was no Home Agent from this date until April 1, 1947 when Miss Ella Mae Crosby reported to work. Miss Crosby's work was terminated July 1, 1949 and Mrs. Ruth Carpenter replaced her and remained until February, 1950. Miss Fay Robison reported to work on April 1, 1950 and remained until June 30, 1951. Miss Sarah Wise reported to work August 1, 1951.

IV. ORGANIZATION

During the past year, the Assistant Farm Agent has carried most of the 1-H Glub work. In September, the club were reorganised with both the Home Agent and Assistant Farm Agent attending the meetings. The Principals were very cooperative in arranging a time to meet and also a place as this is a problem because of the crowded conditions. There are 17 clubs with a total enrolment of 726 girls.

Although the girls have had very little help with their clothing projects, they have continued with them.

Mrs. Phipps, teacher-sponsor at Healing Springs, purchased a sewing machine to have in her room. She helped the girls with their sewing and taught them how to use the sewing machine. In September, she had a new group of girls and her last year's girls offered to help her teach the junior girls.

b. L-H Foods & Nutrition

Number of girls enrolled	300
Number of girls completing	255
Meals planned	8125
Meals served	8125

In October, the "Table Hanners and Service" was discussed with the h-H girls. They were shown the proper way to set the table and the correct table manners. The junior girls practiced setting the table and the senior girls learned how to serve. As many of the girls carry food preparation as a project and all were interested, many questions were asked such as: Which side to serve the Bread, how to serve gravy, who is the first to be seated, etc.

Frances Littlewood, Lansing Senior Club, expressed her appreciation for the lesson. She said, "It is so easy to forget how to serve and I want to do it right. I am glad that you had this demonstration." The demonstration was given at 14 clubs with an attendance of 375 girls.

c. 4-H Health Improvement

In May, the County Health nurse gave 139 h-H girls physical examinations and chose the Health King and Queen from each school. i. Family Relationship

In November, a joint meeting of the boys and girls was held on "Fair Play" for the junior clubs and on "Dating, De and Hon't" for the senior clubs. Mrs. Corinne Grimeley, Family Relations Specialist, met with four junior and four senior clubs and talked to the boys and girls on personality and what one can do to get along with each other. She showed a movie along with each talk. The Assistant Farm and Home Agent gave the program in the clubs that Mrs. Grimeley did not meet. A total of 16 clubs met with an attendance of 530 girls. The boys and girls enjoyed the program and said that they were going to remember the three things that make up one's personality - the way you look, the way you sound, and the way you act.

Rose Stamper, Lansing Glub, said "That movie is just like what happens at home. I have really enjoyed this program."

Five girls and seven boys attended the h-H Camp at Manteo fin August with Wilkes County. The Assistant Farm Agent accompanied the h-H'ers. This is a long trip for the boys and girls to make but it gives than an opportunity to see the ocean which many never would otherwise. The boys and girls participated in all the events at camp, singing classes, recreation, and duties and often the leaders were h-H'ers from Ashe. Frances Littlewood said, "I had so much fun st camp, I just wish more could go."

XX. LOOKING TO THE FUTURE

THE REPORT OF LAST

The h-H girls have had very little opportunity to do the work that they are capable of doing. They have a great interest in h-H work and all they need is someone to encourage and help them with their projects. They are looking forward to a new year in h-H work and the best one that they have ever had.
