DEAR U. N. TOUR DELEGATES:

1961 U.N. Study Tour Information

TOUR DATE: November 6-11, 1961

PRICE: $68.00 per person—this includes:

1. Six days—leaving Raleigh at 7:00 AM on November 6 and returning around 8:00 PM on November 11.
2. Hotel room (three to a room) for five nights.
   Hotel Taft, 7th Ave. at 50th St., New York City, N. Y.
3. Roundtrip transportation from Raleigh to New York City on modern, air-conditioned busses with careful, competent, courteous drivers.
4. Matinee ticket to Radio City Music Hall (before 6:00 PM).
5. Roundtrip transportation to Hyde Park. Admission to Franklin D. Roosevelt House and Library. Stop at West Point.
6. Transportation from hotel to U. N. Buildings and return (two days).
7. Transportation from hotel to Frick Art Gallery and return.
8. Tips to get baggage in and out of hotel.

ADDITIONAL EXPENSES: Meals. In addition to price of tour, you will pay for all of your meals. Remember food costs are high and particularly so in New York.

Group Picture. A group picture will be made at United Nations—cost $1.50—you may order a copy if you want one.

Guided Tour. Cost $1.00 per person. It is important for everyone to make this tour which is excellent background and foundation for understanding U. N. One dollar per person will be collected on bus en route to New York.

SUNDAY NIGHT IN RALEIGH:

Some of you may want to spend the night in Raleigh prior to leaving early Monday Morning. If so, please make your own reservations at hotel, motel, or tourist home.

BREAKFAST MONDAY MORNING:

We suggest you get your breakfast (at least coffee, toast, etc.) before boarding bus. The diner across from Sir Walter Hotel will be open at that hour of the morning.

BAGGAGE:

Limited to one bag per person (plus train case or hat box which you will carry).
CLOTHES: Travel light—do not be burdened with a lot of clothes. One or two street dresses, a suit and couple of blouses will be sufficient. COMFORTABLE SHOES are IMPORTANT (and bring along an extra pair) for there is much standing and walking.

ROOMMATES: If you have a choice, please send me the names before October 20th. (Three to a room). Room assignments must be made and sent to the hotel prior to arrival.

BRIEFING EN ROUTE: Again we are fortunate in having Mrs. Samuel Levering and Mrs. W. Hugh Holcomb who will brief you on United Nations en route to and return from New York.

FRICK ART GALLERY: There will be an illustrated lecture at the Frick Art Gallery before touring the gallery. This is the former home of Henry C. Frick who bequeathed his works of art "for the use and benefit of all persons whomsoever". The gallery contains an outstanding collection of paintings and art objects as well as an excellent art reference library. Last year many of the women purchased prints of paintings they saw in the gallery and particularly liked.

NATIONAL ART GALLERY: Luncheon stop en route home will be made here. This gallery is located in Washington, D. C. and belongs to no one city or state but to all the people of the country. Sorry there won't be time enough to tour the gallery, but there are two Information Desks where prints, cards, publications of the gallery may be purchased.

GIFTS: Please, no gifts to staff members. If you wish to remember the bus drivers we suggest all busses pool their collections and divide the amount equally among the drivers.

DEADLINE DATE FOR PAYMENT: October 20th. Make your check or money order in the amount of $68.00 payable to Bullock Tours and mail direct to

Mr. H. H. Bullock
P. O. Drawer 182
Kinston, N. C.

STAFF MEMBER: Mrs. Myrle L. Swicegood, Eastern District Home Economics Agent, will be in charge of the tour group.

LOADING BUSES: We will follow the same tour program pattern of prior years. Busses will load at the Sir Walter Hotel, Raleigh, at 6:30 AM on November 6 and leave promptly at 7:00 AM.

If you have any questions regarding the tour, please do not hesitate to write me.

Sincerely,
Neil Kennett

Minutes sent to: Executive Board Members
Board of Directors
County Council Presidents and Home Agents
District Agents
Miss Kennett
Miss Current
MINUTES OF NORTH CAROLINA HOME DEMONSTRATION EXECUTIVE BOARD MEETING

Room 310 Ricks Hall - July 10, 1961

Mrs. David Williams, President, presiding.

Old business--discussion of awards for outstanding, superior or distin-
guished service. The committee formerly appointed Mrs. Williams, Mrs. Little, and
Mrs. Benthall, with a district agent as adviser, and the President of Home Agents' Organiza-
tion to make selection of recipients. They would check records of recom-
mendation for nominees from districts similar to the A. & P. Award selection pro-
cedure.

The scheduling of district meeting with representation from Executive Board to
bring greetings should be continued on motion by Mrs. Armfield and seconded by
Mrs. Frady.

Mrs. Frady reported on the Yearbook survey. Suggested a Handbook be used
in addition to the Yearbook.

Mrs. Little reported on recommendations for report to the National
Convention. Very few suggestions were sent in, with no report from the Citizenship
or Public Relations Committees.

Miss Current suggested that the incoming president and first vice president
meet with committee chairmen early in the year before the general State Committee
meetings. The suggestion of follow-up meetings for committees in order to get all
in attendance was made.

Cook Book--Mrs. Rachel Ferguson should be asked to work with a newly
appointed committee to revise, publicize, test recipes, etc., thereby hoping to
increase the volume of sales.

A delegate fund contribution from each county should be stressed.

After a discussion by Mrs. McAllister, the Korean Orphan Fund is to be
continued. The motion was made by Mrs. Griffin, and seconded by Mrs. Little and
was carried. This is to be reported to the State Council.

Mrs. English reported on resolutions proposed for A.C.W.W. The proposal
was accepted on motion by Mrs. Little and was seconded by Mrs. Frady. Mrs. English's
suggestion went to A.C.W.W. concerning closer cooperation of member A.C.W.W. groups.
Above suggestions were accepted on motion by Mrs. Armfield and seconded by Mrs. Frady.

Copies of the State report are to be sent to County Council Chairmen,
Chairmen of County Boards of Commissioners, for which $40.00 was appropriated on
motion by Mrs. Little, and seconded by Mrs. Frady.

The Pennies for Friendship Fund was discussed and carried over to the
State Council Meeting, July 11.

A gift of appreciation to Mr. Weaver--a $50.00 silver tray--is to be
presented on motion of Mrs. Frady and seconded by Mrs. Armfield.

- over -
The State Home Demonstration Federation was invited to participate in the National Family Life Workshop. This was postponed at present on motion by Mrs. Farmfield and seconded by Mrs. Frady.

Appropriation of $75.00 for State Leadership Conference was made on motion by Mrs. Armfield and seconded by Mrs. Little.

After discussion, it was declared a closed issue that the only ones that could go to National Council Meeting on the State sponsored bus would be delegates, certain members of State Staff, president, and incoming president.

Nomination of officers for National Council was discussed. North Carolina had the privilege of sending a nomination for secretary and Southern Regional Director. The decision was not to submit a name this year from North Carolina since Mrs. Charles Graham, from this State, had served as Southern Regional Director for the 1956-1957 term.

The following nominating committee was named:

Mrs. Gilbert English, Chairman
Mrs. M. T. Griffin
Mrs. J. M. Andrews
Mrs. T. J. Benthal
Mrs. Gilmer Whicker
Mrs. Tony Ayers

After the meeting, the Executive Board decided to give Miss Current a gift of appreciation for the wonderful leader and inspirational counselor that she has been.

Respectfully submitted,

Mrs. David Williams, President
Mrs. M. T. Griffin, Recording Secretary
Roll call by the secretary showed 62 county representatives, 13 district chairmen, 6 committee chairmen, and 5 past presidents were present.

The meeting was called to order by the president, Mrs. David Williams.

Mrs. Williams recognized our Home Economics Staff—Miss Ruth Current, Miss Nell Kennett, District Home Agents, and Home Economics Agents.

The treasurer's report was given by Mrs. Aubrey McLennan—report attached.

Mrs. Obed Castelloe gave the report on the Home Demonstration House Fund. 45 counties have paid 100%. Total funds on hand $62,607.78. Report is attached.

The Loan Fund reports sent in by the committee chairman, Mrs. C. B. Strickland, was read by the secretary and accepted. A discussion followed on the question, "Should girls be denied use of the fund for two-year study, if money is available, when the number of four-year applicants were too few to use all of it," after which a motion was made by Mrs. Neil that we extend loans to two-year college attendants, but give preference to four-year students. It was seconded by Mrs. Helvin Mills and passed.

Committee reports were given as follows:

Health, Mrs. C. E. Alexander—report given by Mrs. Henry Francis.

International Relations—Mrs. Joe Chaney.

Music, Mrs. Fred Matthews. Report is attached. Mrs. Marvin Goode has been added to the staff of the music committee.

Public Relations—Mrs. Dorothy Vanderbilt. Report was given by Mrs. Gibson. Report is attached.

Safety report was given by Mrs. Whitfield and is attached.

Mrs. Glenn Armfield, Treasurer and Chairman of the Finance Committee, presented a recommended budget for 1961. The budget was approved as recommended. Copy is attached.

It was reported that 1,905 cook books have been sold since 1960 Farm Home Week.

Mrs. George Frady expressed appreciation for all the suggestions for changes in the Yearbook. All cannot be used. A Handbook in addition to the Yearbook has been suggested and met with favorable comment.

Mrs. Fred Matthews announced that State Home Demonstration Song Books are available from Mrs. J. C. Dodson.

A letter was read from the London Office of A.C.W.W. by the secretary showing the need of increased contributions to Pennies For Friendship.

- over -
Mrs. Gilbert English, Chairman of the Nominating Committee, brought the following report:

State President, Mrs. H. C. Little, Southwestern District
First Vice President, Mrs. George Frady, Western District
Second Vice President, Mrs. John A. Winfield, Eastern District
Recording Secretary, Mrs. Mayo Cherry, Northeastern District
Corresponding Secretary, Mrs. D. A. Lowe, Northwestern District
Co-ordinating Treasurer, Mrs. Cecil McCall, Southeastern District

The president declared the nominees elected to their respective offices.

Announcements were made of the Blue Ridge World Affairs Conference, July 28-30, and the National Citizenship Council Meeting, Washington, D. C., September 15-19.

The illness of Mrs. McIntyre, Mrs. Pate, and Mrs. C. B. Strickland was noted. The President asked that the secretary send notes from State Council to each of them. The group was led in silent prayer for these ladies by Mrs. Charles Graham.

Respectfully submitted,

Mrs. David Williams, President
Mrs. M. T. Griffin, Recording Secretary

MINUTES OF EXECUTIVE BOARD MEETING
OF THE NORTH CAROLINA ORGANIZATION OF HOME DEMONSTRATION CLUBS

March 20-21, 1961

The preliminary session of the Executive Board on Monday night, March 20, consisted of suggestions by Miss Ruth Current and others on the plan or work for the following day and near future.

We should tie in the safety program with National Home Demonstration Week April 30 to May 6. A letter should be sent to County Council Presidents emphasizing observance of the week with window displays, tours, church services, and other ways of calling attention of the non-members to this form of adult education.

Tribute to Mr. Lex L. Ray, Director of Development, Foundations, as a great friend of the Extension Service, particularly to home demonstration club women, is to be given by the State Council during Farm Home Week. This tribute will be awarded on Wednesday evening, July 12.

A letter, over Mrs. George Frady's signature (Second Vice President) as chairman of the committee, is to be written to County Council Chairmen requesting suggestions for needed changes in the 1962 Yearbook.

On March 21, 1961, the quarterly meeting of the Executive Board was called to order by Mrs. David Williams, President. Mrs. Williams gave a reading by John Vinson and led in prayer.

Present were: Mrs. David Williams, Mrs. H. C. Little, Mrs. T. J. Benthall, Mrs. Gilbert English, Mrs. George Frady, Mrs. Aubrey McLennan, Mrs. Mary McAllister, Miss Ruth Current and Miss Nell Kennett.

Miss Current led a discussion on Farm Home Week—the programs, expenses, speakers and entertainment. There were only 900 attending in 1960 and unless more interest is shown, and encouragement in the counties and clubs can bring in a greater number of the women, we may not be able to continue Farm Home Week. Greetings from the top staff members will be a must on the program as a matter of courtesy. Proposals for the program the first night were: Talent Show, Marine Band might be secured, Reception at the Mansion, Tour to the Research Triangle and classes. Federation Day suggestions for a speaker were: Margaret Meade, worldwide known Anthropologist; Pearl Buck, Author and a great Humanitarian; and Dr. Irene McFarland, Staff Physician, Cherry Hospital, Goldsboro, N.C.

The following announcements were made. The President, First Vice-President, Incoming District Chairmen and Chairmen of Standing Committees are to attend National Home Demonstration Council in Maine, August 28-31.

Five of the officers are to attend the Leadership Training Workshop at Chapel Hill, July 17-20. Mrs. Williams will attend to getting names sent in to proper person and see that the Treasurer sends our dues in.

State report for National Council is to be sent to the Regional Director by June 5.

Mrs. Little has written to the eight committee chairmen asking that their reports be sent to her by May 1.
A suggestion was made that we write the President of National Home Demonstration Council, Mrs. Homer Greene, Tutwiler, Mississippi, and offer our U.N. flags for use at the National Council Meeting, August 27-31.

Miss Current extended an invitation to her "Open House" on April 29.

Report of Green 'N' Growing was given by Mrs. McLennan. The question whether or not the equipment was sold remained unanswered. Financial Report should be given at next council meeting.

The music program was discussed. The change to combine music treasury with general treasury vs. separate music treasury as at present. Miss Current suggested a meeting of the Music Committee with State Board, to be called by Mrs. Williams, to decide the above question. Amount paid out by Music Committee, $2,750.14. All music fees are to be sent to Mrs. George T. Smith, Box 151, Conover, N. C. Dr. Hoffman was praised for having made music important in North Carolina.

Mrs. Williams, Mrs. Little, and Mrs. Benthall were asked to serve as a committee to consider honor pins to be awarded for service in home demonstration work, special achievements, etc.

The State Safety Committee is to attend the State meeting to be held in Raleigh on Safety in answer to an invitation for April 14.

Mrs. English was asked to aid in forming resolutions to ACWW. They should bring about a better unity of organizations. What contribution are we giving to ACWW from North Carolina to give value received from the nearly $20,000 spent for delegates to go? Miss Current asked, "What do we receive for the $25.00 affiliation fee to the Women's Clubs of North Carolina?" Other fees were discussed. Mrs. Frady made a motion, seconded by Mrs. Williams that we not exceed $300.00 in affiliation dues. It passed.

Assignments were made for members of the board to bring greetings at District Meetings.

Respectfully submitted,

Mrs. David Williams, President

Suggestions For Farm Home Week

1. Perhaps one day classes feature the Home Demonstration State Committee subjects.

2. All day classes.

3. Specialists need dates for classes early.

4. Have a dress review or fashion show in 1962 (make this a contest).

5. Have special interest classes.

6. Have exhibits—displays by home demonstration women as they have in some County Achievement Day programs.

7. Have talent.

8. Get programs out to counties early—by May 1.

9. The name of Farm Home Week be changed to Homemakers' Forum or Homemakers' Week or something more appropriate.

10. Gear to home economics and the homemaker rather than to just home demonstration.

11. Wider publicity be given.

12. Notices go to other organizations and agencies (Women's Clubs, Garden Clubs, etc.).

13. That class rooms be assigned by a committee rather than chosen by individuals.

14. Farm Home Week activities be centralized on campus rather than scattered.

15. Hold Farm Home Week at Woman's College.

Dear Co-Workers:

Mrs. Minnie Brown, Assistant State Negro Home Economics Agent at A. & T. College, and her Staff, have been working with Mrs. Jewell Fessenden, Extension Analyst, Program Research Branch, United States Department of Agriculture, and us, here at State College, on a Home Demonstration Study for North Carolina.

This is the first study of its kind to be made of the Negro home demonstration work in the United States. It is similar to the National Study of Home Demonstration work in which North Carolina participated a few years ago. This study will involve both home demonstration members and nonclub members.

The purpose of the study as stated by Mrs. Brown is as follows:

I. To get information which will aid in planning more effective home economics extension programs, including:

A. Social and economic characteristics of club members and nonclub members.

B. Problems, practices, interests, needs in family living.

C. Determine whether nonclub members are benefitting from home economics extension programs.

D. Determine to what extent club members are influencing nonclub members with things they learn from the home economics extension program.

E. Determine club members’ preferences for getting information.
F. Determine why nonclub members do not join home demonstration clubs; their preference of getting information.

G. Why do women drop out of clubs, once they have been members?

The interviewing for this study will be done November 14-19, 1960. Your county has been selected to participate in the study—only a sample of the members will be contacted.

The Negro home agents have been asked to do the following:

1. Announcements to be made over radio by the agents who have programs. Purposes should be given and people asked to cooperate. If agents have no radio programs, perhaps the announcements could be made anyway by the station program leaders.

2. The home agents should mention in their news columns the fact that the study is to be made and something explained about the purposes, and cooperation should be asked for.

3. In the urban areas selected, the city authorities should be contacted and explanations made that some families are to be visited and why the visits will be made.

We are most anxious to give all the support and assistance possible in making this study successful. We wanted you to be informed of the study. Perhaps you will wish to confer with the Negro home agent and assist her in any way possible, particularly in radio and other means of informing the public.

Sincerely,

Nell Kennett

RE: 1961 Plans of Work

Dear Agents:

County plans of work were discussed at the Home Economics Staff Conference this week. The specialists expressed the need for receiving the counties' request for specialists' help for 1961 by October 15, 1960. They felt that this was necessary in order for them to get materials prepared and schedules for training schools, kits, etc., ready for you.

I hope this will not inconvenience you too much.

Please send two copies of your request for each home economics specialist area for 1961 to your district agent by October 15.

I hope the revised specialist request form (Program Planning Form No. 3) will be available for your use. Otherwise, use plain sheets of paper.

THE ROLE OF THE STATE HOME ECONOMICS STAFF IN PROGRAM PLANNING

By

Lorna Langley

"The purpose of the State Extension Service is to help the county develop a program. This means that the State Staff does not determine the program, but they help to make it as easy as possible to do the job properly in the county. The State Staff's job then is not one of dictating the program but rather one of creating an atmosphere which facilitates program planning and development."

--District Supervisor's Conference—Wisconsin

District Agents can:

1. Confer with agents on plans for county home economics program planning.
2. See that a variety of training situations are made available to agents to assist them in doing the program planning job.
3. District Agent can serve as a resource person in planning procedure and evaluation of long-time county program plans and the annual plan of work.
4. Both district agents and specialists can encourage agents to make necessary adjustments in the program. Both can assist agents in enlarging the concept that a county home economics program is more than Home Demonstration and 4-H Club Meetings, that it is bringing into play all methods and resources to promote better living for all the people of the county.
5. Assist agents in developing methods and techniques for presentation of data to local committees.
6. Assist agents in developing a procedure for more effective selection, training, and use of leaders.
7. Help agents analyze common errors and pitfalls of program development.

Specialists can:

1. Make studies and assemble, analyze, and interpret facts as a means of clarifying problems in the field of specialization. Assist in working out solutions to these problems. In other words, help agents develop a sound educational program.
2. Can assist in interpreting facts to leaders.
3. Can confer with Agents on program planning in regular office conferences, with all agents participating.
4. Discuss with district agents the subject-matter content of programs; interpret programs; and exchange ideas, so there is greater understanding of programs.
5. Assist agents and district agents in determining training needs of agents in subject matter.

Both district agents and specialists can assist agents in evaluation of work. If accomplishments have been made, they can be measured or evaluated. The evaluation, in turn, serves as a basis upon which further planning proceeds. Program planning is then continuous, as it ought to be.
To what extent has this conference helped you gain understanding, appreciation, and skill in applying specific educational principles as a guide to sound program planning procedure?

B. Please list quickly what steps you will take when you return to your county to involve the other members of the Extension Service, County Commissioners, leaders of supporting and cooperating agencies or groups, as well as key individuals and leaders of all organized extension sponsored groups?

1. Careful study of all program building material, principles of program planning, and a step-by-step plan to secure the help needed to set up county program planning procedure for Home Economics Plan of Work——Follow step-by-step procedure similar to the one developed by Mrs. Estelle White.

2. Train assistant agents in program planning.

3. Ask leaders to assist in gathering facts.

4. Discuss needs and situations affecting family living with our agents and other groups and agency heads as well as with county commissioners and key leaders.

5. Present situations and facts at group meeting — to get people to think and discuss needs before deciding on action needed.

6. Involve executive advisory board of Home Demonstration, 4-H and Y.M.W. groups, also the extension advisory board in exploring needs and opportunities and in setting goals.

7. Be a better example of an Home Economics Agent.

8. Strengthen public relations.

9. Involve more people by group participation.

10. Set up county fact gathering committee.

11. Will discuss with county extension staff and get their reaction and cooperation.

12. Include work with other agents in program planning.

13. When plan is completed, take it before different groups (county commissioners, etc.) for suggestions, changes and approval.

14. Explain purpose of meeting.

15. Make notes during year for suggestions for program development.

C. What assistance will you need from: 1. Specialists; 2. District Agents; 3. Administrative Staff; as you work with local people in developing procedure for building a strong Home Economics program within the framework of the total Extension Service?

Assistance needed from District Agents:

1. District agents - helping with leaders.

2. District agent's guidance in planning county planning procedure.
Assistance needed from Specialists:

1. Factual subject matter information and trends from specialists.
2. More help needed in carrying program - demonstration suggestions and kits of material to borrow or rent as needed.
3. More county workshops with specialists assisting.
4. Specialists, training and bulletins on time.
5. Assistance in planning areas of program.

Assistance needed from District Agents and Specialists:

1. Conference with district agent and specialists.
2. Help to explain to Home Demonstration Club Members why leaders must give more demonstrations and hold more meetings.
3. Assistance in evaluating present and past program as a basis for establishing interests and needs.
4. Assistance on wiser use of own time and better organization and administration of the staff and other resources.
5. Assistance on selection and use of methods to support program planned.
6. Help on how to get people to want what they need in a program.
7. Grouping county demonstrations in order that specialist can train more agents only short time before demonstration.
8. Would be helpful to have follow-up conference on subject matter demonstrations and materials to be available in 1960-61.
9. Need district agent and specialists to help discuss with leaders the importance of Program Planning.
10. Need help on better planning for 4-H program for Juniors.
11. Continued inspiration and help in new ways of involving people - a solution to the problems of different ages, educational levels, social levels, etc.
12. Suggestions, advise, and guidance.

Assistance needed from Administrative Staff:

1. Advice and constructive criticism from time to time.
2. Inspire people and analyze their needs. (Analyze situation and identify problems or needs).
D. Please give two suggestions for improving future program planning conferences:

1. Advance information concerning time of conference.
2. Clearer statement of purpose of conference at first of meeting.
3. Shorter sessions.
4. No night meetings.
5. Provide opportunity for more important thinking to be done in morning before agents are fatigued.
6. Key Home Economics program for Extension—To the over-all home economics goals accepted by a Home Economics Association to give a broader concept.
7. The Home Demonstration House at State College badly needed to provide better facilities for agent training, conferences and workshops.
8. Provide longer time so as to be able to think more effectively.
9. Include more staff members as resource people. The 4-H Club and Consumer Marketing Staff be included as resource people.
10. More time for success stories and discussion of methods used by agents.
11. Assistant Home Economics agents need this training. They could contribute and gain.
12. Too much sitting. Provide larger space for meeting and more breaks.
13. Show actual plans of work. Show how to set up a good plan of work.
14. More subject matter trends and suggestions for program building from specialists.
15. Include more suggestions for building 4-H programs.
16. Use more small discussion groups.
17. Give more definite information.
18. A longer conference with opportunity for actual program planning experience. (This was a good beginning).
19. More information on Home Economics Research needed to discuss new trends and new findings in Home Economics.
20. Program planning training should include head farm agent as well as the Home Economics Agent.
21. Devote evenings to important inspirational speakers or inspirational activities.
22. More time with district agents.
25. More time with each phase and subject.
26. Additional discussion time.
27. Inform group leaders more specifically of their role as a leader in discussion groups.
28. Better place to stay.
29. Avoid repetition of same information and not assume that we know so many things which we do not know.
30. Conference every two years.
Principle of Program Planning to be discussed: Program Planning should be a continuous educational process that helps develop knowledge, skills, and attitudes of the participants.

Questions:

A. What knowledge, skills, and attitudes are we trying to develop as we plan a Home Management program?

1. Teach individuals and families how to manage their resources (human and material) for better family living
2. Teach values of cooperation in management and family living (unit approach) farm and home development
3. Teach good business methods
4. Teach record keeping and evaluation for future planning
5. Develop good money management practices (wise use of credit) H-H and Adult
6. Create family interest in economic problems (financial security, new wills and inheritance laws, laws affecting personal property, banking
7. Teach families to adapt good buying practices based on facts and information using most recent research and right attitudes toward change
8. Teach work simplification
9. Teach homemakers to use good posture and to teach good health
10. Teach awareness of physical limitations
11. Teach safety in managing the home
12. Create and develop leisure time and use it wisely

B. How can program planning for Home Management be made a continuous educational process?

1. To incorporate good management practices into each demonstration, program, news articles, etc.
2. Follow-up by agents, leaders, and audience
3. Be a good example of home management
4. Keep timely information before public (mass Media)
5. Present seasonal information
6. Use resource people (efficiency experts and others) available material in planning
7. One learning experience leads to awareness of needs for better management
8. Ask for suggestions for planning throughout the year
9. Impress home management leaders with their responsibility in developing ideas throughout the year
10. Use result demonstrations (kitchen tours and special record keeping)

Principle of Program Planning to be discussed: Program Planning should provide opportunity for democratic participation of the people for whom the program is intended.

Question:

A. Who is our clientele?
1. All the people in the county
2. All the people in Rural communities
3. Farm Organizations
4. Non-club people
5. Rural Development Groups
6. Urban people
7. Industrial groups

B. How do we get the segments of our clientele represented and involved in program planning in Food Conservation? (include in the discussion such groups as: Home Demonstration Council and Extension Advisory Board and others)

1. Invite representatives from all groups involved to program planning meeting
2. Home agents send letter announce on radio, and newspaper
3. County Home Demonstration leaders telephone all people on list
4. Plan entire food program at one time
5. List of those included are: Home Demonstration foods and food conservation leaders, 4-H adult leader, Senior 4-H leader, Community improvement groups, representative of non-club groups, Representatives of educational agencies
6. Home Demonstration Leaders bring in request from club members from previous club program planning discussion
7. Members of home demonstration council and agriculture advisory board would be involved
8. At the meeting, we show trends - use facts from and suggestions from Specialist’s surveys. Evaluation of previous work could be used
9. People identify needs
10. People set up long-time objectives
11. People set up short-time goals
12. People decide what should be done and just who to do the job
13. Over-all program planning - Committee decides on plan of work with information from all subject matter committees
14. Plan to include all groups as program is put into action
15. Plan to evaluation, judge results, find problems for future programs

GROUP 3

Principle of Program Planning to be discussed: Program Planning should be based on an analysis of the technological and sociological, and cultural facts applicable to the situation. Program Planning should provide for the identification of needs and interest of the people.

Questions:

A. What are the sources of facts, how do we use these facts, how do we identify needs and interests of people in planning a program in Foods and Nutrition?

1. Survey of 1957 which covered a cross section of North Carolina
2. Questionnaires and local surveys in 4-H, home demonstration, community development clubs, other organized and un-organized groups, schools, lunch rooms, etc.
3. Annual reports
4. Observation
5. Census
6. Farm Family Outlook and other publications

-over-
7. Specialist and research
8. Nutrition leaders
9. Doctors, dentists, county health nurses
10. Welfare Department

B. What professional judgment should be projected by the agents into planning a Foods and Nutrition Program?

1. Extension Advisory Board
2. Agricultural Workers Council
3. Home Demonstration Council
4. Foods and Nutrition Leaders
5. Any other program planning groups
6. Identify interests and needs -- involve the people in a study and interpretation of these facts and guide them in determining their major and minor problems in foods and nutrition. Agents should be ready with facts pertaining to the foods and nutrition situation in the county and serve in an advisory capacity in planning a program that is both attainable and justifiable.

GROUP H

Principle of Program Planning to be discussed: Program planning should give opportunity for the participants to establish long-term objectives and goals.

Questions:

A. What procedure would you suggest for setting objectives and goals in a Clothing Program?

Evaluation of past activities and present situation by
1. Reading plans of work and annual reports of previous years
2. Observation of clothing and habits of dress of clientele (club members and others)
3. Study surveys available (or make them) also the program projection for the county
4. Use questionnaire for club members to determine their desires

Summarize this information and get it to leaders for their background study. Call meeting of leaders (club and non-club)
1. Review the situation and needs
2. Have buzz session
3. Set up objectives for five to ten year period
4. Decide on short term (1 to 2 year) goals to reach these objectives
5. Provide for annual evaluation and need for re-direction of program

B. Discuss the relationship of these objectives and goals to Extension teaching and evaluation in a Clothing Program.

1. Goals and/or objectives should determine our methods of teaching and evaluation. Some goals are more effectively reached by personal demonstration rather than mass media, etc. Also the goals should cause a program to be set up and presented in a way acceptable to the people.
GROUP 5

Principle of Program Planning to be discussed: Program Planning should provide for coordination of educational efforts, activities, and resources of many interested leaders, organizations, and agencies.

Questions:

A. What are some opportunities for coordination educational efforts, activities, and resources of many interested leaders, organizations, agencies in planning a Housing and House Furnishings Program?

1. Agriculture Workers Council
2. Tours to homes, furniture stores, building supply companies, industrial fairs, manufacturers
3. Workshops
4. Clinics - using different people (For Example: floor covering, power company, cabinet makers)
5. Special interest meetings
6. Leader training meetings
7. Result demonstrations
8. Fairs and exhibits
9. Mass media - radio, newspapers, bulletin
10. Community development
11. Information clinic for business and professional people - to learn what they can offer in new ideas and materials
12. Utilize State Specialist in planning housing and house furnishings activities newsletter
13. Exchange of ideas and materials by agents in neighboring counties

B. Identify leaders, organizations, and agencies which might be involved in a Housing and House Furnishings Program.

1. Both men and women leaders in Home Demonstration, Farm and Home Development, 4-H, Home Economics and Agriculture Teachers, Farm and Home Administration, A. S. C.
2. Loan agencies - bankers, federal loans, veterans loans
3. Power companies
4. Appliance and Equipment people
5. Builders and contractors
6. Architect and Interior decorators
7. Result housing families
8. Sanitarian
9. Chamber of Commerce
10. City ordinance

GROUP 6

Principle of Program Planning to be discussed: Program Planning should be flexible in order to provide for adjustment and change.

Questions:

A. Make suggestions for the mechanics of a two year plan of work (a) Forms needed (b) Revision of request sheets.
1. Need to develop a new form to replace the four page sheet. In order to do this, need a committee composed of agents, specialists, and administrative personnel to work out a new form. Required more mature thinking than we could give last night to develop a form.

2. Need more space on form for giving information. Perhaps could be answered by more vision of the use of space already available. Eliminate duplications by designation on the calendar the demonstrations in the specialist's field instead of listing demonstration on back of sheet. Use back of sheet. Use back side for narrative explanation on your request for assistance. Let the same committee as previously mentioned study and revise the request form.

B. What assistance is needed from district agents and specialists?

a. District Agents

1. administrative problems
2. personel needs and problems
3. budgets
4. training in organization and planning
5. a go-between between specialist and agents, home economics leader and assistant director in charge of home economics
6. interpret policy
7. aid in evaluating
8. arrange training schools for agents and sometimes leaders
9. more opportunities to discuss problems

b. Specialists

1. results of research
2. demonstration kits and illustrative meetings
3. subject matter information
4. keep agents informed of information available
5. new methods and techniques of presenting subject matter
6. training agents and then leaders whenever possible

C. How can we provide for flexibility in planning and executing a program?

1. Adapt the program to meet immediate situation and the needs of the various groups
2. Agent should foresee needed changes
3. Interpret to the people involved any necessary changes
4. Whenever a major change is needed that there be a mutual agreement between State and County personnel involved
5. Have some reserve demonstration to use on short notice
6. Maintain good working relationship with resource people in the county so that you can draw on them in the event of an emergency in the realm of programs.
7. Some method of evaluation to determine progress (interest) to redirect the work for the second year. The activities may not move as fast or may progress faster than anticipated. A committee of club leaders might do this.
Group 7

Principle of Program Planning to be discussed: The program planning process should include plans for evaluation.

Questions:

A. In what ways can evaluation strengthen the Home Economics Program?

1. By providing a definite time for evaluations
2. By recognizing and using evaluation as a continuous process
3. By using evaluation to help us determine certain goals and objectives
4. By using evaluation to help develop leaders
5. By determining our strengths and weaknesses
6. By giving bases for interpretation of programs

B. What techniques would you suggest for use in evaluation?

1. Immediate evaluation of certain events, and example is a district meeting, and periodic evaluation of over-all program
2. Involve leaders in evaluation
3. To provide time for specialist to evaluate our work in their subject matter field when they are in the county
4. Self evaluation
5. Surveys, questionnaires, and home visits determine the adoption of recommended practices

C. Discuss the role and function of leaders in Home Economics Program.

1. Help us to determine the situation and give direction to the program
2. To interpret and extend: example; mass media, demonstrations, workshops, "Each One Reach One", club leader reports
3. They implement the program through their services to agents, club members and general public

D. Give suggestions for developing a more effective leadership program.

1. Appoint committee early in the year to observe right person for right job. Consider interests, skills, etc.
2. Provide effective training programs
3. Use leaders to plan and evaluate program
4. Involve leaders to see their strengths and weaknesses
5. Recognition of leaders
6. We need materials and techniques from Specialist adapted to leader's level

Group 8

Question:

A. Discuss and suggest ways of coordinating Home Management, Family Life, Health, and Safety into all Home Economics Programs.

a. Ways of coordinating home management into all Home Economics Programs:
1. Work simplification
2. Planning
3. Time Management
4. Family economics
5. Decision making or family council division of responsibility (results in)
6. Insurance

b. Ways of coordinating Family Life into all Home Economics Programs:

1. Food production (garden)
2. 4-H Food Conservation projects and family food conservation projects
3. Food preparation, service, and family fellowships
4. Buying - consumer education
5. Sharing family responsibility (clothing budget, use of family car, consideration of rights of family members)
6. Sharing available housing facilities
7. Family projects - yard beautification, chores
8. Family activities - Family workshop, recreation

c. Ways of coordinating Health into all Home Economics Programs:

1. Food - selection and preparation
2. Clothing
3. Home Management - laundry, cleaning
4. Housing - heating, lighting facilities, sanitary facilities
5. Safe water supply
6. Provision for the aged
7. Food production and conservation, consumption
8. Medical and dental family programs
9. Creating healthy family attitudes and appreciation of each other

d. Ways of coordinating Safety into all Home Economics Programs:

1. Housing - floor finishes, wiring, proper storage of poisonous insecticides, medicines, etc., storage of equipment (toy, yard tools)
2. Food conservation - pressure cooker
3. Safe cooking equipment
4. Home beautification - holes in yards, poisonous plants, mosquito breeding places
5. Clothing - shoes
6. Auto - farm machinery safety
7. Trash and garbage disposal

Summary -- Home Management, Family Life, Health, Safety, should be a vital part of the total program and can be incorporated in all teaching methods.

FARM HOME WEEK

Recommendations from District Agents:

1. Luncheon - Second Vice Chairman
   If Mrs. Williams will be too disappointed—wait and start next year.

2. Reception - President
   Consensus of total group with exception of Miss Arant who thought it should perhaps be Past President.

3. State Report - First Vice Chairman

TRAINING OF OFFICERS

Group unanimous in the recommendation—that training of officers be done on District rather than State basis—too few got to the State Meeting.

ROTATION OF STATE COMMITTEES

A complete rotation of State Committees was worked out in chart form (Miss Harris, advisor, will send copies to everyone concerned—district agents, and Miss Current). Discuss with Mrs. Little (probably should present this to Executive Board March 21).

PROGRAM PLANNING CONFERENCE

This was cleared with Mr. Shoffner. Two days and two nights for all home economics agents only.
Would hold one meeting perhaps in Raleigh. Committee working on dates and preparing program. (They plan to meet Friday, February 12th at 2:00 p.m. in Room 301-A). Most probable date -- April 21-22.

FROZEN FOOD TRAINING SCHOOL

EGG REFERENDUM

Mr. Parrish explained the Egg Referendum and asked for support of District Agents and County Home Economics Agents.

NON READERS PROGRAM

Sent questionnaire to all agents as requested by Mr. Behrman. Included a questionnaire to be returned to Miss Current on additional information. (Copy enclosed).

MINUTES OF THE MEETING OF THE EXECUTIVE BOARD OF THE
NORTH CAROLINA HOME DEMONSTRATION CLUBS

November 12-13, 1959
Alumni House, NC State College, Raleigh, N. C.

The annual planning meeting of the incoming Executive Board of the North Carolina Home Demonstration Clubs met Thursday morning, November 12, 1959, in the Alumni House at State College at 10 o'clock with Mrs. Gilbert English, president, presiding.

Mrs. R. G. Little, second vice-president, gave the devotions, and Miss Ruth Current, Assistant Director of Programs in Home Economics of State College, extending greetings to the group.

Answering roll call were 6 officers, the immediate past president, and 16 district chairmen. Also in attendance were 5 vice chairmen, 3 state committee chairmen, the 6 supervisory district agents, the State Home Economics Leader, and others.

The minutes of the last meeting were read by the secretary and approved. The treasurer's report, read by Mrs. T. Spencer Dean, co-ordinating treasurer, showed a balance in the checking account, as of November 11, 1959, of $1103.94, and $22,083.53 in the savings accounts. A total of $2,085.01 was shown in the general savings account. Expenses for the past year were $18,598.03. The report in full was filed with the secretary. One correction, on motion of Mrs. Dean, was that the gift of $500 to Miss Verna Stanton be taken from the general fund instead of the triennial delegates fund as stated in the report. The motion was seconded and carried.

Under old business, the following motions, recommendations, and reports were presented:

1. Mrs. V. I. Hockaday moved that the McKimmon Education and Smith Health Loan funds committees be combined. It was seconded and carried.

2. Mrs. Jamalings Davenport moved that all other state committees remain separate and stress their objectives. It was seconded and carried.

3. The president recommended that the organization promote the sale of cookbooks with renewed effort.

4. Mrs. Obed Castellos, treasurer of NCCHD House Fund, reported a balance of $40,321.65 as of November 13, 1959. The report was filed with the secretary. Mrs. J. V. Whitfield moved that each supervisory district appoint a member for a building fund committee. The motion was seconded and carried. The following were named to this board: Mrs. E. L. Murphy, Kannapolis; Mrs. Obed Castellos, Winterville; and Mrs. Claude Jeffreys, Burlington. The other three districts were asked to send a representative for this committee as soon as possible.

5. In the matter of state resolutions, it was moved by Mrs. W. L. Askew: to dispense with same, but that they would be accepted if sent to the second vice president. Motion carried.

6. Mrs. Dorothy Vanderbult, public relations chairman, reported that 95 counties had representatives at publicity workshops, and over 400 women had attended. She also stated there were 3200 subscriptions to Green 'N' Growing with 7 countries and 12 states subscribing. A balance of $3003 was reported.

* All officers named in these minutes are incoming officers for 1960, unless otherwise designated.
7. Miss Ruth Current suggested that M.E. Roy Wilkerson serve as chairman to send a compiled report by the 17 delegates to the Washington Conference to the state office to be passed on to all counties in mimeographed form. The group voted that this be done.

8. Mrs. English commended Mrs. Mary McAllister and her committee on the new 1960 yearbooks. Members of her committee were Mrs. David Williams and Mrs. H. C. Little.

9. Mrs. W. Alton Smith, music chairman, reported to the board on her committee’s activities during the year. She announced that district training schools had been held, and the annual State Music Workshop was at WUNC, Greensboro, June 28-July 3, 1959. Her committee requested that the state organization sponsor the Greensboro Chapter, Society for Preservation and Encouragement of Barber Shop Quartet Singing of America one night at Farm Home Week and charge admission with the monies shared by all state committees. On motion of Mrs. Viv Hill, which passed, the president will appoint a committee to decide if the organization will sponsor this program and how the funds will be divided or spent.

10. Mrs. V. I. Hockaday moved that the Mother of the Year Program be continued. It was seconded and carried.

11. Mrs. J. V. Whitfield moved that the Leadership Awards project be continued. It was seconded and passed.

12. Mrs. John Griffin moved that the organization continue the support of the Korean Orphan ($180.00 per year). It was seconded and passed.

13. Mrs. Baxter Hall explained briefly about the NC Literacy Program. Mrs. Taylor Long moved that it be continued. It was seconded and carried.

14. Mrs. Roy T. Goodin moved that the Each One Reach One program continue. It was seconded and carried.

Under new business, the following items were discussed, moved, recommended, or otherwise decided:

1. That those appointed to go to the Leadership Workshop at Chapel Hill as delegates for 1960 to go if at all possible or at least let it be known to the president if they can’t attend.

2. Mrs. English read credentials of Mrs. Aubrey McLennan of Chapel Hill whom the Executive Board selected as state treasurer. The group voted to accept her election.

3. An election was held for the keeper of the State Home Demonstration Scrapbook. Mrs. C. F. McIntyre of Red Oak, Nash County, was elected. Other nominees were Mrs. Davitt Lee of Marshville and Mrs. T. L. Anthony of Wilson County.

4. Mrs. English reminded those present that the nominating committee for state officers for 1961 would consist of Mrs. V. I. Hockaday, immediate past president, plus one member from each supervisory district. She asked that each district send in names of nominating committee member as soon as possible to Mrs. Hockaday.

5. It was moved by Mrs. R. W. Harris that the executive board set its own meeting dates, and that standing committees decide for themselves time and place for their meetings. Carried.

6. Mrs. C. F. McIntyre moved that this board give Mr. J. V. Whitfield cooperation in working for equal standing of HD agents in his endeavor in keeping HD work on as high level as it has previously held. It was seconded and carried.
7. Mrs. V. I. Hockaday moved that a suitable file be bought, at organization's expense, to take care of the state president's papers which will be passed on each year. It was seconded and passed.

8. Mrs. Hockaday gave a report on her expenses for the year. She said it was quite an honor but that she didn't think it should be a financial burden. Having just returned from National Meeting in Oregon and Country Women's Council in Missouri by car, she didn't have her report in figures as she had planned.

9. It was clarified and voted that monies refunded by district chairman who did not attend National Meeting be divided among those 12 who did go. Also, the 1959 state president, Mrs. V. I. Hockaday, is to receive payment for all expenses to National Meeting.

10. Mrs. David Williams, first vice president, read the revised Constitution and By-Laws of the NC Organization of HD Clubs. The group proposed some changes, after which Mrs. John Griffin moved that they be accepted as read and amended by the Executive Board and Board of Directors. It was seconded and passed.

11. The district agents were then asked to distribute copies of the new constitution and by-laws to home agents to give to council presidents and explain same. (State office to make and forward these copies.)

13. Miss Ruth Current presented a fruit cake idea for clubs. The cakes are to be sold for $2.00, for 2 lb. cake, with 50¢ profit to the organization. Contact Miss Current's office for details.

14. Mrs. John Griffin moved that Home Demonstration continue to honor outstanding friends and leaders during Farm Home Week. It was seconded and passed.

15. Mrs. English announced the date for Farm Home Week this year, July 12-15, 1960.

16. Suggestions for programs for Farm Home Week are welcomed and to be sent directly to Miss Ruth Current.

17. Mrs. Hockaday moved to continue contributions of $10 per year to World Affairs Conference, Chapel Hill. Approved.

Several excellent reports on conferences were heard during the board meeting. Those reporting follow:

Country Women's Council, Kansas City, Missouri, October, 1959 - Mrs. V. I. Hockaday.

The meeting adjourned at 12:05 P.M., Friday, November 13, 1959.

Respectfully submitted,

Mrs. Gilbert English, President

TOUR GUIDE:  Mr. H. H. Bullock, Box 182, Kinston, N. C.
Dear Home Economics Agents:

Mrs. McAllister's letter to you (enclosed) gives instructions to follow in ordering your 1960 Yearbooks.

You will agree after looking over it, and I hope studying it, that she with her committee of excellent club women did a magnificent job in revising the yearbook. Hours and hours of hard work have gone in the revision of the yearbook. We are hoping that it will clear questions and some confusion that has troubled us all along the way.

Will you please get your orders in as soon as possible.

Ruth Current
Assistant Director
TO THE HOME ECONOMICS AGENTS

Dear Co-workers:

The 1960 Yearbooks for Home Demonstration Clubs will be off the press the latter part of the week of October 26.

The books will be packaged at the State College Print Shop where they are printed. I have sent to Mr. L. B. Phillips, Manager of the Print Shop, a list of the counties with the number of books ordered for each county.

The Yearbooks will cost eight cents (8¢) per copy. The books must be paid for before they are released from the print shop. Will you please send a check made out to North Carolina State College Print Shop for the number of books as listed below and send it to Mr. L. B. Phillips. Be sure to give the name of county.

If you plan to be in Raleigh after the week of October 26 and wish to get your books directly from the Print Shop, please let Mr. Phillips know the date you will get them so they will be ready for you.

If the books are shipped to you, the county will have to pay transportation charges. Please let Mr. Phillips know if the books are to be shipped.

Sincerely,

Mary L. McAllister

County ____________________
TO ALL HOME ECONOMICS AGENTS AND ASSISTANT AGENTS

Dear Co-workers:

It has been thought that it would be wise to put a money value on many of the things we do in the Home Demonstration Program.

Enclosed is a list of items compiled by a Committee from the Home Agents' Association along with an estimated dollar and cents value placed on each item by the Subject Matter Specialist.

I hope this will be useful to you and will make our estimates more uniform in preparing annual reports, special project reports, etc.

Sincerely,

Nell Kennett

PRICES ON FOODS

A. Production of an Adequate Home Garden

The figures are based on the average home garden for a family of five, allowing 1/10 acre per person.

a. Cost of seeds, fertilizer, insecticides ................... $ 35.00
b. Gross value of garden produce .............................. $41.80
c. Net value of garden produce ................................. $06.40
(Which would be used fresh, canned or frozen) value is higher if stored root crops are added.

B. Foods for Additional Income

1. Selling Baked Goods:

The sale price and labor cost of baked products is determined by the retail value of ingredients used in each product.

A "rule of thumb" scale to follow is to figure the retail cost of the ingredients and sell the product for twice this figure.

Plain cake made with butter and iced -- $1.00 per layer
Plain cake made with vegetable shortening and iced -- $.60 per layer
Plain butter cake, large loaf -- $2.00
Plain cake with vegetable shortening, large loaf -- $1.50 per loaf
Plain sugar cookies made with butter 2" in diameter -- $.25 per dozen
Plain sugar cookies made with vegetable shortening -- 2" in diameter -- $.20 per dozen

Brownies and similar cookies, 2" square -- $.48 per dozen
Yeastbread, 1 lb. loaf -- $.30 per loaf
Yeast rolls, Parker House, medium size -- $.30 dozen

2. Vegetables and Fruits:

The price of vegetables and fruits vary according to the season of the year, the availability of the product and the quality of the food.

A fixed price for which vegetables and fruits should sell cannot be set. The price of the foods on the local market at the time a farm family has food for sale should help determine the price he should place on his products.
The following list shows the average price of certain commodities last year. (Prices should change with seasons). Labor cost of producing individual vegetable crops would be based on garden cost.

### Selling Dairy Products:

The price of dairy products varies in different sections of the State, and the season. A fixed price for cost of production, labor cost, and sale price of dairy products is hard to determine.

The cost of producing milk and the wage rate is determined by the level of production of the cow.

Average labor cost per hour - $.50 to $1.00

Average sale price of dairy products:

- **Sweet Milk**: $.20 per quart
- **Buttermilk**: $.18 per quart
- **Cottage Cheese**: $.37 per pound
- **Butter**: $.70 per pound
4. Selling Meats:

There are certain State and county laws of sanitation regarding the sale of meats. Check with the County Health Department regarding regulations. There are strict regulations on beef and fresh pork.

Cost of production and the sale price of meats vary so much with the scale of production and from season to season that it is extremely difficult to put a fixed price. Average prices for small production (not commercial sale) are given:

SUMMARY OF PROGRAM PLANNING CONFERENCE

District Home Economics Agents and Home Economics Specialists
Monday, June 29, 1959

District home economics agents and home economics specialists have an important role in assisting county home economics personnel with program planning. Specialist assistance is most needed at the county level in:

1. Analyzing situations.
2. Acting as advisor in determining needs.
3. Classifying needs to determine where to place major emphasis.

TRAINING HOME ECONOMICS AGENTS:

That major part of agents training by specialist should be overall training; however, sometimes it may be necessary to do some training on a specific demonstration or area.

Subject matter specialist will not meet county home economics agents in district or sub-district groups this fall for conferences on 1960 plans of work.

Each home economics subject matter department staff will have a joint conference with district home economics agents (as a group) to discuss their respective subject matter fields, state program, over-all objectives, and areas in which major emphasis should be placed. Purpose: Better understanding and co-ordination of effort.

(If specialist decide to use a room other than 105, please notify Gerry Hall and district agents)
Tentative county plans of work for 1960 should be in hands of specialist October 1. Specialist will study plans, confer with district agents if major changes seem advisable, and return plans to county home economics agents, if necessary, with recommendations for changes.

In 1960, district agents and specialist will start early in the year working with home economics agents on preparation of a two year plan of work - (1961-1962). District meetings with county personnel were recommended to be held the last two weeks in April. This would involve district agents and specialist to assist State 4-H Leaders.

It was recommended that a committee composed of district agents, specialists in charge, and assistant specialists be appointed to work out a recommended procedure or the mechanics for the state staff to follow in program planning for 1961-62.

Will the following persons please serve on this committee:

Mary Harris - Chairman
Lorna Langley
Pauline Gordon
Rachel Ferguson
Nell Kennett will work with the committee.

We must do the best job that can be done on a real home economics program in every county in North Carolina. It will take the very best efforts of each of us - I can't do it — and you can't do it — but we can do it.

We must do the best job that can be done on a real home economics program in every county in North Carolina. It will take the very best efforts of each of us - I can't do it -- and you can't do it -- but we can do it.
The meeting was called to order by the president, Mrs. V. I. Hockaday. Mrs. L. B. Pate gave the devotions.

Minutes of the last meeting were read by the Recording Secretary, Mrs. Marshall McRee. They were Approved as read.

The roll was called by the secretary with fifty-nine (59) counties being represented.

The treasurer's report was given by Mrs. Fernie Laughinghouse, State Treasurer. Deposits in Saving account, $7,734.00, Triennial Delegate Fund, $3,454.25, National Delegates Fund - interest $16.01, Estelle T. Smith Health Loan Fund, $2,364.63, Jane S. McKimmon Loan Fund, $15,304.52, notes receivable from loan funds, $25,025.84, Bonds, $7,000.00, cash in bank, $7,069.03. Disbursements were as follows:
President's Expense, $75.28, Postage, $25.97, Officers Expenses, $34.45, Farm Home Week, $38.77, Cookbook postage refund, $1.50, affiliation dues, $185.00. Notes receivable, $300.00, making a total expense, $661.57.

Mrs. Obed Castelloe, Treasurer of the N. C. Home Demonstration House Fund made the following report. Total funds raised as of June 8, 1959, $38,762.18. Mrs. Castelloe reported that thirteen counties were paid in full.

Mrs. W. H. Vanderbilt, Chairman of the State Publicity Committee for 1959-60 reported on the magazine "Green 'N' Growing". Mrs. Vanderbilt pointed out the fact that the magazine belonged to the club women of the state. She stated that the magazine was in need of financial aid until it could be financed by advertising. If subscriptions to the magazine could be increased it would be easier to get advertising. Mrs. Vanderbilt suggested that club women give 25¢ each per year to keep the magazine going. After much discussion, the group did not feel that this could be done back in the counties. Mrs. Alva Worthington moved that $2,000 be borrowed from the saving fund and used to make "Green 'N' Growing" successful, to be paid back as the magazine grows. The motion was defeated.

Mrs. Clarence Bunn moved that the necessary money be advanced from the general fund to the Home Demonstration magazine "Green 'N' Growing" to keep the project going. The motion was seconded by Mrs. R. A. McCullen, and carried.

A motion was made to change the name of Publicity Committee to Public Relations Committee. The motion was seconded and carried.

Mrs. C. E. Strickland, Chairman of the Jane S. McKimmon Loan Fund reported that there are 14 girls now in college and 12 to enter the fall of 1959 making a total of 26 girls. Mrs. Strickland said that the loan fund should be increased from $300 to $500 per year due to the increased cost of college expenses.

Mrs. J. M. Davenport made a motion that the Jane S. McKimmon and the Estelle T. Smith Loan Funds be increased from $300 to $500 yearly. The motion was carried.

The motion was made that the chairman of the Jane S. McKimmon Loan Fund and the Estelle T. Smith Loan Fund be permitted to pass on applications in an emergency. The motion was carried.
After an interesting discussion on changing the term of district officers from one year to two years, the council voted to keep the term one year.

Mrs. Charles Graham made the motion that the Executive Board composed of the state officers meet quarterly. The motion was seconded and carried.

Mrs. J. P. Morgan made a motion that the State meeting be held separate and apart from Farm Home Week—same week, but separate. The motion was carried.

A motion was made that the Executive Board work with State College officials and decide when Farm Home Week should be held. The motion was carried.

There was a long discussion on the writing of the Home Demonstration history.

Mrs. Obed Castelloe made a motion that was seconded by Mrs. C. J. Gainey, that the Executive Board be authorized to borrow $5,000 from the N. C. H. D. House Fund to be used in writing a history of Home Demonstration Work in North Carolina, when and if needed. Interest to be repaid at the rate the fund is now earning. The motion was defeated.

A motion was made that the president be given authority to act on anything that should come up in an emergency. The motion carried.

Mrs. Whitfield made the motion that the State Home Demonstration Treasurer be paid $50.00 per month. The motion was seconded and carried.

Mrs. H. C. Little discussed the non-readers program which was given last winter over WBTV. Mrs. Little ask that club women encourage the people of their counties to take part and support this worthwhile program, as it is an opportunity to help reduce illiteracy in our state.

Mrs. Charles Graham discussed the outstanding contribution and honor that Mrs. George Apperson has brought to North Carolina as former president of N. C. Federation Home Demonstration Clubs and former Chairman of Country Women's Council, and who is at the present time Area Vice-President of A.C.W.W. Mrs. Graham made the motion that if Life Membership does not exceed $50.00, that this organization give Mrs. Apperson a Life Membership in the Country Women's Council.

Mrs. J. C. Berryhill seconded the motion and it carried.

It was recommended that a Committee be appointed by the President to study and recommend procedure for securing resolutions.

Mrs. L. B. Pate, Chairman of Nomination Committee, gave the following report:

President - Mrs. Gilbert English, N.W. District
First Vice-President - Mrs. David Williams, S. E. District
Second Vice-President - Mrs. H. C. Little, S. W. District
Recording Secretary - Mrs. George Shupe, W. District
Corresponding Secretary - Mrs. W. L. Ascue, E. District
Co-ordinating Treasurer - Mrs. T. Spencer Dean, N. E. District

The report of nomination committee was accepted unanimously.

Respectfully submitted:

Mrs. V. I. Hockaday, President
Mrs. Marshall McRee, Recording Secretary
Dear Home Economics Agents:

The form on which to report International Relations activities in your county is enclosed. Please make available any information to the County International Relations Chairman and ask her to send the report to the District International Relations Chairman as listed below. An extra copy of the report blank is enclosed for your files.

Each District Committee Chairman will combine the reports from her district and send it to Mrs. B. M. O'Brian, Chairman of the State International Relations Committee. Mrs. O'Brian will compile the state-wide report and send it to Mrs. Everett Spangler, Chairman of the Country Women's Council.

Please ask the County Chairman to send her report in by July 1 so that the district report may go to Mrs. O'Brian by July 15. We want to have a grand report of the many, many international relations activities carried on in the counties.

Dear Co-Workers:

Your District Agent gave me your names to assist with the tour to Chapel Hill during Farm Home Week on Thursday afternoon, June 11. We are delighted to have you work with us on this committee.

Would you please meet Mr. D. G. Harwood and Mrs. Callie Hardwick back of the stage in the Coliseum on Wednesday, June 10 at 1:00 p.m. for briefing and instructions on the tour. This will be immediately following the afternoon program in the Coliseum.

I shall be looking forward to seeing you.

Sincerely,

Nell Kennett
State Home Economics Leader

Dear Past Presidents:

We hope you are planning to spend June 9-12 on the North Carolina State College campus. Farm Home Week will open on Tuesday this year and close with the luncheon on Friday.

The best program ever has been planned — interesting classes, excellent instructors and guest speakers. We will tour to Chapel Hill on Thursday afternoon, visit the Morehead Planetarium, Ackland Art Center, and have tea with President and Mrs. William Friday in their home. Tuesday night, following the opening program, a reception honoring Chancellor and Mrs. Carey H. Bostian will highlight the program. Wednesday night will be Awards Night and on Thursday night we will again have the privilege of hearing Miss Maxeda von Hesse who will talk on "The Un-Used You".

At the Annual Meeting of Home Demonstration Clubs on Friday, special seating arrangements will be provided for you. Please meet at 9:45 a.m. in Room 125 at the Coliseum. Mrs. Gwen Terasaki, author of "Bridge to the Sun," will be our guest speaker. Mrs. Gilbert English, First Vice President, will have charge of the State Report on "Home Demonstration — Yesterday-Today-Tomorrow".

The luncheon, which will be held in the College Union at 12:30 p.m., had to be limited this year. Each county is allowed four persons except in the case of state officers, board of directors, and state committee chairman. If you are planning to attend the luncheon ("1.75 per person), you will have to come under the county quota. Please check with your Home Agent concerning this.

We will be looking forward to seeing you at Farm Home Week.

TO THE JANE S. MCKIMMON EDUCATIONAL LOAN FUND GIRLS:

Enclosed is a note for one-half of the amount of the loan granted you for the coming year.

Please sign this note together with your parents and endorsers and mail it to Mrs. Fernie Laughinghouse, Treasurer, North Carolina Home Demonstration Clubs, Pantego, North Carolina. Your note will not be accepted unless it is signed by the endorsers listed on your application blank and as indicated at the bottom of the letter. Upon receipt of your note, Mrs. Laughinghouse will send you a check. You will receive the check by September 1, 1959. A similar note, followed by a check, will be sent to you in December.

In order for the Committee to keep in touch with the Loan Fund girls and to know how they are getting along, each girl is asked in the requirements for securing a loan to write to the Chairman of the Committee once each quarter. This is most important.

Thank you for your prompt attention to the enclosed note. I send my best wishes to each of you for the 1959-1960 school year.

Sincerely yours,

Mary E. Strickland

Dear Home Agents:

It will soon be time for the 1960 Home Demonstration Yearbook to go to press, and if revisions are to be made, we need your early assistance. Will you please check with the County Council members or others - for their recommendations for improving the Yearbook, along with your own, and let us have them.

We also need your assistance in getting correct information for the book. Please fill in the information at the bottom of the page and return to me immediately after your June County Council meeting.

Thank you for your cooperation and help in getting the information to us so we may continue with plans for getting the books printed this summer.

2. Which of the procedures and techniques used this week will have the most application in your work? List not more than five in the order of their relative importance.

(Ranked in order based on indications as shown in individual evaluation.)

The art of listening
Planning and holding effective meetings
Social systems and social action
The communication process
Buzz groups
The diffusion process
The learning process
Brainstorming
Principles and techniques of interviewing and counseling
Case studies
Visuals (flannel boards, movies, etc.)
Problem assignments
Group discussions
The unit act, motivation, and blocks
Missed signals in Extension
Panel discussions
Seating arrangements
Listening units (each group listening for a particular point)
Short movies followed by discussion periods
Question and answer periods
Audience participation
Variety of teaching techniques
Arousing interest by various ideas
Tests and quiz sheets
Identifying the problem
Evaluation
3. List changes you would suggest for improvement of communications workshops to be held in the future.

- Devote more time to "brainstorming".
- Include more problem solving sessions.
- Include more case studies - perhaps one from a North Carolina county.
- Devote more time to group study.
- Find some method of presentation that would require less sitting.
- Shorter breaks.
- More situations and pictures relative to Extension Service rather than industry.
- The workshops should be longer than one week.
- More details on Social Action.
- More detailed discussion of the use of various communication techniques.
- Do not call on students so much for discussion but let the students hear more.
- Try to make sure that questions asked from the floor are correctly answered before moving on and then forgetting them.
- More "set up" time for project work on Holstein County.
- More panels and individual participation on part of members.
- Rather than have several films in the same half day or day, arrange to distribute them throughout the week.
- Increase audience participation.
- The pace should be increased. The program is too slow - especially the first day.
- More problem solving techniques.
- Help audience distinguish between problem, facts and opinion.
- Shorten session - adjourn at 4:00 p.m.
- Better living conditions for the men agents.
- Include office secretaries in some workshops with agents and state staff so as to experience reactions of agents as well as secretaries.
- Redirect session on effective meetings to present new ideas.
- Seek means to insure follow-up.
- A short summary period at the end of each day and these to be combined at 1:15 p.m. on Friday.
- Relate more clearly how industrial films may be applied to Extension.
- Less emphasis on negative, more emphasis on positive.
- Go more into detail on the "art of person to person" communications.
- End workshop with the county reports and a summary of the reports.
- The teaching staff devote more of their time to the preparation for the school until all staff members have attended the school.
- Classes begin at 8:30 a.m.
- Not enough time for group discussion periods.
- Some of the visuals be checked for improvement.
- More emphasis on the psychological aspects of communications.
- Distribute interest getters throughout the week and have more discussions and group reports the first two days.
GROUP EVALUATION OF COMMUNICATIONS TRAINING WORKSHOP

North Carolina State College
April 6-10, 1959

Members of Group: A. D. Stuart
                 Flossie Whitley
                 G. W. Miller, Jr.
                 Mrs. Ozetta P. Guye
                 T. M. Hyman
                 Mary Sue Moser
                 R. S. Boal
                 H. G. Thompson

1. Give an example of how you would apply one of the teaching techniques used this week in a specific situation in your work.

   Buzz technique for leader training.
   Brainstorming in tobacco marketing work.
   Listening technique.
   Use of small group technique.
   Participation.

2. One of our problems is how to reach all county staff members with communications training. Please give us your recommendations on this problem.

   a. In the light of our experiences this week, we recommend that presently scheduled programs for the May state meetings be cancelled and in place the communications training be given to all Extension workers. If necessary, increase the meeting time to one week.

   b. Offer this training in Extension Summer School.

3. Additional comments (if any) on the total week's workshop.

   Every worker needs this training right now in order to make it more effective.

   One of the most helpful and practical conferences ever.

   Total workshop has given us a tremendous opportunity and experience in self-analysis.

   Unusually fine atmosphere and setting for this meeting - relaxed atmosphere.

   Tremendous expression of good will and tolerance.

   We realized how rigid we were in our attitudes.

   Stimulating experience.

   Spiritual experience.

   Humility.

1. Give an example of how you would apply one of the teaching techniques used this week in a specific situation in your work.

The technique of listening - Monday morning staff conference

a. Create a good listening environment

   (1) physical
   (2) emotional

2. One of our problems is how to reach all county staff members with communications training. Please give us your recommendations on this problem.

Two meetings per district be held using the county personnel and district agents as instructors along with one or two of the persons who had the course originally. Someone in the administration should attend at some time during the course.

3. Additional comments (if any) on the total week's workshop.

The best organized and effective Extension effort to make our work effective.

In order for other Extension workers to receive this training, it should receive priority in time and funds over district and/or state meetings.

Iola Pritchard

1. Give an example of how you would apply one of the teaching techniques used this week in a specific situation in your work.

Brainstorming for developing ideas for fair exhibits.

2. One of our problems is how to reach all county staff members with communications training. Please give us your recommendations on this problem.

Approximately the same number of the group be retained or at least one of the original team members be present at each meeting plus any additional instructors from this school to sit in on one more training school.

Do not have schools on the district level to permit diversified audience. Secretaries be invited to attend.

3. Additional comments (if any) on the total week's workshop.

Poor orientation of the Holstein County problem when it was passed out.

Questionnaire on the first day may have been omitted.

The presentation of meetings as a technique was not effective. Have a better informed panel.

Insure better follow-up.

Mrs. Victoria B. Bynum

1. Give an example of how you would apply one of the teaching techniques used this week in a specific situation in your work.

Situation - low housing standards - unpainted, need repairs, no inside baths, etc.

Techniques - buzz group, followed by over-all group discussion.

2. One of our problems is how to reach all county staff members with communications training. Please give us your recommendations on this problem.

   a. Take team to district. Bring in geographic cross section of district as to age, agents and assistants, and specialists.

   b. Train all well in proper setting even if it takes longer.

   c. Possibly hold two sessions at the same time.

3. Additional comments (if any) on the total week's workshop.

   a. Be enthusiastic toward others without disclosing trade secrets.

   b. Include department heads, when possible.

   c. Not to be too secretive about school.

   d. Not necessary for the secretaries to be included. The county staff could train her as needed.

                 H. M. Covington
                 Mrs. Ruby Uzzle

1. Give an example of how you would apply one of the teaching techniques used this week in a specific situation in your work.

   Using con-par in a program projection meeting in getting participation of local people in evaluating the accomplishments - physical facilities, resource people, time, moderator, a person to summarize the information brought out in the panel.

2. One of our problems is how to reach all county staff members with communications training. Please give us your recommendations on this problem.

   We recommend that communications training schools be conducted on a district basis with county agricultural agents and home economics agents and with the assistant agents as soon thereafter as possible.

3. Additional comments (if any) on the total week's workshop.

   Every Extension person should have this training at the earliest possible date.
Dear Home Agents:

At our very excellent Jane S. McKimmon Loan Fund Committee meeting with the State Chairman, the State Treasurer, the State Federation President and two home agents, we decided that all of you should have copies of the application for loan in your office for use when girls inquire for such help. We think, too - this we discussed - that you should be very familiar with the rules and regulations listed in the Yearbook on pages 16 and 17. We were sorry that requests for loans from several came in too late for the girls to get consideration.

Let's ask the Chairman of the County Jane S. McKimmon Loan Fund Committee to assist in every way in letting worthy girls know that they can borrow $300.00 (the loan may be increased to $500.00 after State Council meeting in June) to assist them in getting a college education. We have 17 girls now in school and we approved 12 applications for next year. The letters Mrs. Strickland read to us from several of the girls now getting help were most heartwarming. Nothing you do is more important nor more rewarding than pushing contributions for the Jane S. McKimmon Loan Fund.

Thank you for what you have done and what you will continue to do.

Good wishes and with great appreciation,

Ruth Current
Assistant Director

District Home Economics Agents

P.S. I am also enclosing copies of the application for the Estelle T. Smith Health Loan Fund. It is of equal importance. RC
The Jane S. McKimmon Educational Loan Fund Committee met for the annual meeting on March 17, 1959, at 11:00 a.m. in 105 Ricks Hall. Mrs. C. B. Strickland, Chairman, presided. Others present were: Mrs. V. I. Hockaday, Mrs. Fernie Laughinghouse, Miss Jessie Trowbridge, Miss Marie Penuel, and Miss Ruth Current.

Seventeen girls are receiving the loan at the present time. Two of these will graduate this spring from Woman's College, leaving 15 girls to continue to receive the loan. The committee reviewed the grades of the girls in school. Miss Marie Penuel made a motion that loans be continued to the 12 girls enrolled at East Carolina College for the next school year. The motion was seconded by Mrs. V. I. Hockaday and carried. Mrs. Hockaday made a motion that loans be continued to Elisabeth Haun to return to Woman's College, to Betty Anne Delbridge to return to Greensboro College, and to Joan Edwards to return to Western Carolina College. Miss Penuel seconded the motion and it carried.

The question has been raised by one of the girls currently in school that if she did not use the loan for the coming school year would she be eligible to receive the loan the next year, if needed, without having to file a new application. The committee agreed that a girl could go a year without using the loan and still receive it the following year upon request if her grades and work were satisfactory. The committee would have to keep informed on such requests in order to be sure that funds would be available.

A motion was made by Miss Jessie Trowbridge to send recommendations from the committee to the counties to prepare delegates for voting at State Council meeting on increasing the loan from $300.00 to $500.00 a year. This motion was seconded by Mrs. Fernie Laughinghouse and carried. Mrs. Hockaday will include the recommendations in a letter to be sent to all members of the State Council.

A motion was made by Mrs. Fernie Laughinghouse that the District Home Economics Agents provide application blanks for the home agents. The motion was seconded by Mrs. Hockaday and carried.

The Chairman of the committee is to write form letters to all graduates, endorsers of notes, and to the girls when their applications are approved.

After reviewing new applications for the loan for the coming school year, Mrs. Laughinghouse moved that the group accept the following applicants. The motion was seconded by Mrs. Hockaday and carried. Applicants approved are:

1. Nancy Marie Baker  
2. Justine Stansbury  
3. Edith Anne Clark  
4. Gail Mann  
5. Maxine Howard  
6. Joy Thore  
7. Mrs. Edna S. Denby  
8. Nancy McLeod  
9. Mary Jane Joyner

Approved conditionally provided the necessary information is received were:

1. Dorothy Wilder who needs two persons other than members of the family as endorsers.
2. Bertha True who needs a letter from the home agent.

A motion was made by Mrs. Hockaday and seconded by Miss Trowbridge that Mrs. Strickland and Miss Penuel be given the authority to review and approve the application of Kathy Holden, Glenville, N. C., as the committee did not receive her application blank in time. The motion carried.

Respectfully submitted,
Mrs. C. B. Strickland, Chairman
Miss Marie Penuel, Acting Secretary

REQUIREMENTS FOR SECURING A LOAN FROM THE

JANE S. MCKIMMON LOAN FUND

1. This fund shall be in charge of a committee known as the Jane S. McKimmon Educational Loan Fund Committee. This committee shall consist of five members; two members from the Home Demonstration Agents' Association and three members from the State Federation of Home Demonstration Clubs.

2. Money shall be loaned without interest while the student is in an Accredited Four-Year College, all loans to be repaid within two years after finishing school. Failing to do this the borrower agrees to pay interest at six percent from the date the note is drawn. Should the borrower marry, the date for maturity automatically falls due.

3. All applicants for loans must be rural residents of North Carolina who are able to present sufficient credits from an accredited High School. Loans are for students in North Carolina colleges only, and preference will be given to H-H girls. No loan shall exceed $300.00 annually.

4. All requests for loans must be made by letter in the handwriting of the applicant, a filled-in application blank and recommendation from the following: principal of high school (or school last attended) and one other teacher, the home demonstration agent, one from a responsible man or woman of her community, a health certificate from a reputable physician, and her high school records. Students must present a record of work done each year in college.

5. The application for loans shall be made to the chairman of the Jane S. McKimmon Educational Loan Fund Committee by March 1, and shall be submitted by her to each member of the Loan Fund Committee subject to majority rule.

6. The treasurer of the North Carolina Federation of Home Demonstration Clubs shall hold monies of this fund. Checks shall be issued only when instructed by the Loan Fund chairman and after receiving the note of the borrower properly signed and endorsed.

7. Each borrower is requested to write to the chairman of the Jane S. McKimmon Educational Loan Fund Committee once each quarter.

8. Loans for each school year are made in two installments, one at the beginning of each school term. Each note must bear the endorsement of the girl, her parents or guardian, and two citizens of approved financial responsibility, other than her family. These notes must be returned by July 1 and December 10. The committee shall at all times encourage girls to keep their indebtedness to the minimum.

9. The treasurer shall hold all notes and collect payments on these notes as they fall due.

10. The committee shall be satisfied with the student's work before extending help a second year.

11. Failure to comply with the rules herein stated makes an applicant ineligible for a loan.

REQUIREMENTS FOR SECURING AN ESTELLE T. SMITH LOAN FUND

1. This fund shall be known as the Estelle T. Smith Health Loan Fund and administered by a Committee composed of the President, Treasurer, and Health Chairman of the North Carolina Federation of Home Demonstration Clubs.

2. This fund shall be loaned to rural girls desiring to take nurses training in state accredited professional schools of nursing in North Carolina. Money shall be loaned without interest while the student is in training, but all loans are to be repaid within two years after graduation. Failing to do this, the borrower agrees to pay interest at six percent from the date the note is drawn. Should the borrower marry, the date for maturity automatically falls due.

3. All applicants for loans must be prospective student nurses who have been tentatively accepted by an accredited school of nursing in North Carolina and who have graduated from an accredited high school. No loan shall exceed $300.00 - $150.00 for the first year, $75.00 the second year, and $75.00 the third year.

4. All applications for loans must be made by letter in the handwriting of the applicant and accompanied by letters from the following: principal of high school attended, one other high school teacher, home demonstration agent, a responsible man or woman in the community, health certificate from a reputable physician, and her high school record. Students must present a record of work done each year while in school.

5. Application for loans shall be made to the State Health Chairman, by March 1st. A notice must be sent from the director of nurses to the Health Chairman who will send the necessary application forms.

6. The treasurer of the North Carolina Federation of Home Demonstration Clubs shall hold monies of this fund. Checks shall be issued only when instructed by the State Health Chairman and after receiving the note of the borrower properly signed and endorsed.

7. Loans for each school year are made in one installment. Each note must bear the endorsement of the girl, her parents or guardian, and two citizens of approved financial responsibility, other than her family. These notes must be returned by July 1st.

8. The treasurer shall hold all notes and collect payments on these notes as they fall due.

9. The committee shall be satisfied with the student's work before extending help a second year.

10. Failure to comply with the rules herein stated makes an applicant ineligible for a loan.
TO THE DISTRICT CHAIRMEN:

Enclosed are three copies of the District Home Demonstration Council Report. Immediately after your district meeting, please fill out this blank in triplicate and return one copy to me, one copy to Mrs. V. I. Hockaday, Route 1, Roanoke Rapids, North Carolina, and keep one for your files.

I should like to remind you that a copy of the District Resolutions should be sent to the Second Vice-President of the North Carolina Home Demonstration Clubs, Mrs. David Williams, Rose Hill, North Carolina. These resolutions will be used in compiling resolutions for the State Council and annual meeting.

I hope each one of you will have a very fine district meeting with excellent attendance. I wish it were possible for me to attend all the meetings and to have the opportunity to know you and the women in your district better. Although I cannot be with each one of you, I send my best wishes for a successful meeting.

Sincerely,

Nell Kennett
State Home Economics Leader

TO MEMBERS OF THE STATE HOME DEMONSTRATION COUNCIL EXECUTIVE COMMITTEE
AND STATE COMMITTEE CHAIRMAN:

Dear Club Members:

Enclosed is a copy of the National Home Demonstration Council Handbook for 1959. I believe you will find it helpful as a member of the Executive Committee and a State Committee Chairman. Please study it carefully and acquaint club members with the Council and its programs.

Sincerely,

*Nell Kennett*

QUIZ ON COMMUNICATION PROBLEMS

Select the better of the three answers given even though all answers may be correct to some degree.

1. A man is a good listener only if he (check one)
   ____ (a) does not think while the other fellow is talking.
   ____ (b) hears everything the other man has to say.
   ____ (c) seeks information as he listens about his own and the other fellow's assumptions, viewpoints and feelings.

2. You can determine whether you have communicated with the other fellow by (check one)
   ____ (a) asking him questions.
   ____ (b) watching his facial expressions.
   ____ (c) knowing whether he should be interested in what you are talking about.

3. There are three factors which enter into our daily person-to-person communications. Which is the most important according to the film? (check one)
   ____ (a) Assumptions.
   ____ (b) Viewpoints.
   ____ (c) Feelings.

4. In order to get a clear picture of the other fellow, as we listen (check one)
   ____ (a) we have to "tune in" on some things that are never actually voiced.
   ____ (b) we must concentrate on everything he says.
   ____ (c) we must clear our minds of any prejudices or evaluations we have made in advance.

5. When we talk to another person we can assume (check one)
   ____ (a) that he is listening to what we say.
   ____ (b) that what is important to us may not be important to him.
   ____ (c) that he knows and shares our unspoken feelings.
6. In the film, the boss became *aggressive* because (check one)
   ___ (a) he was under pressure from those above him.
   ___ (b) the employee failed to understand him.
   ___ (c) he saw the employee as a threat to his plans and authority.

7. The biggest block to interpersonal communication is (check one)
   ___ (a) man's inability to listen intelligently, understandingly and skillfully to another person.
   ___ (b) man's inability to be logical, lucid and clear in what he says.
   ___ (c) the fact that any one statement may have several meanings.

8. When an employee has an interview with his supervisor, he should be able to (check one)
   ___ (a) assume that his supervisor will speak in a logical way.
   ___ (b) explain in very clear terms his own ideas.
   ___ (c) assume that what will take place will be largely an interaction of feelings as well as ideas.

9. The process of personal communication requires (check one)
   ___ (a) words that have meaning in themselves apart from the people involved.
   ___ (b) getting others to see things from your point of view.
   ___ (c) that you make an estimate of the other fellow's needs and desires as well as your own.

10. It is necessary for everyone who must deal with other people on important matters to know how to listen with understanding because (check one)
    ___ (a) in a crucial conversation, false ideas of other people can lead to misunderstanding and disagreement.
    ___ (b) there will be less argument.
    ___ (c) people usually try to conceal their real feelings.
ANSWERS TO QUIZ QUESTIONS

1. The preferred answer is C. It is not enough to be just a blotter or photographic negative, soaking up everything that is said. Good listening requires active participation on the part of the listener.

2. The preferred answer is A. Many times facial expressions can be very deceiving. Just because a person appears interested in a subject does not mean he actually understands.

3. The preferred answer is C. Feelings are deeply imbedded in people and not subject to logical argument, whereas viewpoints and assumptions are more easily changed by new facts and perspectives.

4. The preferred answer is A. It is not enough to concentrate on everything that is said; we have to be actively thinking as we listen. It is almost impossible to actually clear our minds of our prejudices and evaluations, but it helps to "know thyself".

5. The preferred answer is B. The thought voices in the film pointed up the fact that people often "cut-out" while listening. These voices also showed that these unspoken feelings vary with each individual. It is safest to assume that the other fellow probably has a different set of values than you.

6. The preferred answer is C. "A" is wrong because in the example of good listening in the film, the boss was under the same pressure from above as during the first example. "B" is wrong because in the same way he had to deal with the same person as before. It was only when the threat to him was removed by good listening on the employee's part that he did not become aggressive.

7. The preferred answer is A. No matter how logical, lucid or clear the transmitter is, unless the receiver is "tuned in," there can be no communication. The fact that any one statement may have several meanings complicates the process of interpersonal communication, but good listening habits can overcome this obstacle.

8. The preferred answer is C. Unfortunately, supervisors as well as most other people, do not always speak in a logical way. As the film pointed out, explaining one's own ideas in the clearest of terms is not sufficient to achieve understanding.

9. The preferred answer is C. Words have no meanings apart from the people involved. Getting other people to see things from your point of view is fine, but interpersonal understanding requires more than this "one-way-communication.

10. The preferred answer is A. "B" is wrong because elimination of arguments in itself does not mean good communication. "C" is wrong because the purpose of listening with understanding is not just to get at hidden feelings, but to be able to communicate with others.
TO THE HOME ECONOMICS AGENTS IN THE EASTERN DISTRICT

Dear Agents:

I would like to tell you how much I enjoyed my trip to the Eastern District and the opportunity to spend a little time with you agents and your wonderful women. It really was a big lift to me.

Some of you requested a copy of "A Prayer for the Middle-Aged" and I am enclosing a copy for you.

If I can be of any assistance to you at any time, please feel free to call on me.

Sincerely,

Neill Kennett
State Home Economics Leader
